Re: NOLA Wheelchair TaxiVan Initiative

Malachi:

Please accept this letter of intent as proof that Mobility Works of Akron, Ohio, along with its approved lines of distribution, seeks to be listed as an approved "mobility vehicle upfitter" to your "wheelchair accessible taxi" initiative.

As evidenced by the supporting documentation previously sent to you, Mobility Works and its manufacturing partners, meet and exceed all current FMVSS and NHTSA standards for the upfitting of this type of vehicle.

Feel free to contact me with ny further questions you may have.

Kind regards,
