Capital Budget Request Form			
Agency Number	837	Department Name	Criminal Court
Project Name	Jury Deliberation Rooms Renovation	Department Priority Ranking	1
Project Type	Renovation	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	Criminal District Court 2700 Tulane Avenue	Council District	B
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	The existing Jury Deliberation Rooms and associated spaces are in all manner of disrepair- most are original to the building and years have passed since any renovations and repairs have been made. Damage from numerous incidents of water infiltration and termite infestation have gone repaired, carpet is ragged, plaster is crumbling, toilet room fixtures are aged and leaking. The intent is to address these various issues through renovations to bring the spaces into a clean and renovated condition to better allow for conducting the work which occurs here.		
Five Year Summary	Demo existing space, repair plaster where required, replace plumbing fixtures, plumbing repair where required, replace wood casing at windows where occurs, replace dropped acoustical tile ceiling where occur, repair and repaint plaster ceiling finish where occurs, replace flooring material, paint wall surfaces, provide coffee bar with cabinetry and appliances, replace lighting and limited HVAC repair.		
Has an Architect or Engineer prepared drawings for this project?	No	If Yes please explain how this was funded and current status	
Will this project increase your department's current operating expenses? (I.e. require additional staff, maintenance, utilities)	No	Please provide estimate of increase or decrease operating costs.	
Estimated Cost of Project: (include Design, Construction, Testing, Contingency, etc.)	\$2,405,000.00	Proposed Funding Source	Bonds
Does this project fall in line with the current Zoning requirements	Yes	If no please list required change	
Please discuss how the project conforms to objectives and recommendations of the Master Plan:	Consistent with Goal 5 found in Vol 2, Chapter 10 "Community Facilities, Services and Infrastructure" to provide "Up-to-date Justice System Facilities and Programs", these spaces remaining in such disrepair are not conducive with the appearance that the efforts conducted therein are appropriately valued or considered important to the judicial process. The spaces contain areas with wide-spread tattered finishes, peeling paint, damaged plaster with large holes exposing structure and building infrastructure, un-addressed termite damage, leaking plumbing fixtures, etc- the renovation of these spaces would do a lot to bring them into conformity with the recommendations of the Master Plan.		
Does the project improve runoff water quality or reduce the impacts of flooding? If yes, please explain how this is achieved, describing the area that is impacted. If no, please describe any negative impacts, and the area impacted.	No		
What Benefit(s) will be provided to Public from this project?	For what year are you requesting the Project? 2016, 2017, 2018, 2019, or 2020? Enter		\$2,405,000.00
	2016		
	2017		
	2018		
	2019		
2020			
Is the surrounding infrastructure (I.e. utilities, road network) sufficient to support the intended use of the project?	Yes	If no please discuss required improvements and estimated costs

Capital Budget Request Form

Agency Number	837	Department Name	Criminal Court
Project Name	Audio Equipment Upgrade	Department Priority Ranking	1
Project Type	Equipment	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	Criminal District Court 2700 Tulane Aveune	Council District	B
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	Audio Recording Replacement at 13 Courtrooms and 2 Mobile - Relocatable Units		
Five Year Summary	This project is to replace the aging audio recording equipment in each of the 13 courtrooms. This system is needed to perfect the transcript of all criminal court proceedings held. This system would also backup directly to the court's current server and could be remotely accessed in the need of a disaster.		
Has an Architect or Engineer prepared drawings for this project?	Yes	If Yes please explain how this was funded and current status	Drawings and scope were developed for two new courtrooms with LED Funds for separate project we would replicate that design into the remaining 11 courtrooms.
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	No	Please provide estimate of increase or decrease operating costs.	
Estimated Cost of Project: (Include Design, Construction, Testing, Contingency, etc.)	\$120,000	Proposed Funding Source	Bonds
Does this project fall in line with the current Zoning requirements	Yes	If no please list required change	
Please discuss how the project conforms to objectives and recommendations of the Master Plan:	Consistant with Goal 5 found in Vol 2, Chapter 10 "Community Facilities, Services and Infrastructure" to provide "Up-to-date Justice System Facilities and Programs", this vital equipment is failing and sorely in need of replacment.		
Does the project improve runoff water quality or reduce the impacts of flooding? If yes, please explain how this is achieved, describing the area that is impacted. If no, please describe any negative impacts, and the area impacted.	No		
What Benefit(s) will be provided to Public from this project?	To better allow public access and for improved accuracy in transcription	For what year are you requesting the Project? 2016,2017, 2018, 2019,or 2020? Enter amount

Project Name	Audio Visual Equipment	Department Priority Ranking	3
Project Type	Equipment	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent Immovable Improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	Criminal District Court 2700 Tulane Avenue	Council District	B
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	Audio Visual Inter-Active Presentation System for 11 Courtrooms The work involves the addition of (Multimedia) audio/visual equipment and related for interactive evidence presentation for eleven (11) courtrooms. This involves the required presentation and display equipment for all parties in the courtroom including Judge, Jury, Prosecution and Defense Attorneys.		
Five Year Summary	Video: Displays, Digital Document Camera, Preview Monitors for Attorneys, Video Conference System, Touch Panel/Systems Control at Judge's Bench. Audio: Speakers and microphones, Control Monitors for various participants, hearing impaired system. Furniture to House Equipment: Lectern, Attorney Tables, accommodations at Jury Box and Judges' Bench. - System Training.		
Has an Architect or Engineer prepared drawings for this project?	Yes	If Yes please explain how this was funded and current status	Project partial complete. Prototype designed and developed for current project to develop two new courtrooms.
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	No	Please provide estimate of increase or decrease operating costs.	
Estimated Cost of Project: (include Design, Construction, Testing, Contingency, etc.)	\$1,450,000.00	Proposed Funding Source	Bonds
Does this project fall in line with the current Zoning requirements	Yes	If no please list required change	
Please discuss how the project conforms to objectives and recommendations of the Master Plan:	Consistant with Goal 5 found in Vol 2, Chapter 10 "Community Facilities, Services and Infrastructure System" to provide Up-to-date Justice System Facilities and Programs, this vital equipment is not currently provided and deperatly needed to keep current with best practices of operations of this size.		
Does the project Improve runoff water quality or reduce the Impacts of flooding? If yes, please explain how this is achieved, describing the area that is impacted. If no, please describe any negative impacts, and the area impacted.	No		
What Benefit(s) will be provided to Public from this project?	It will assist with the growing technologies needs being introduced into courtrooms today by both parties. It will be utilized by judges, attorneys, witness and jurors.	For what year are you requesting the Project? 2016,2017, 2018, 2019,or 2020? Enter amount

Agency Number	837	Department Name	Criminal Court
Project Name	Grand Hall HVAC System & Window Hardware Replacement	Department Priority Ranking	1
Project Type	Renovation	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	Criminal District Court 2700 Tulane Avenue	Council District	B
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	The purpose is to control humidity in the Grand Hall as to halt further deterioration of the historic vaulted cathedral like ceiling. Refurbish or remanufacture inoperable hardware on 14 windows, moderate reworking of windows. Install an air-cooled 30 ton chiller with three air-handling units at each end and in the middle. Install ceiling mounted R/A's at each location. Condensing unit and two chilled water supply and return pumps with a condenser water pump.		
Five Year Summary	Installation would control humidity in the Grand Hallway to halt further deterioration of the historic ceiling.		
Has an Architect or Engineer prepared drawings for this project?	No	If Yes please explain how this was funded and current status	
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	No	Please provide estimate of increase or decrease operating costs.	
Estimated Cost of Project: (Include Design, Construction, Testing, Contingency, etc.)	\$493,719.00	Proposed Funding Source	Bonds
Does this project fall in line with the current Zoning requirements	Yes	If no please list required change	
Please discuss how the project conforms to objectives and recommendations of the Master Plan:	Consistent with Goal 2 and Goal 3 found in Vol 2, Chapter 10 "Community Facilities, Services and Infrastructure System Facilities and Programs" to provide "Public safety services and facilities that meet best-practices performance standards for all areas of the city" and provide "Cost-efficient, resource-efficient, well maintained public facilities and services", respectively, perimeter fencing providing more secure, limited access points of entry to the building area is critical.		
Does the project improve runoff water quality or reduce the impacts of flooding? If yes, please explain how this is achieved, describing the area that is impacted. If no, please describe any negative impacts, and the area impacted.	No		
What Benefit(s) will be provided to Public from this project?	Public Safety and Energy Efficiency	For what year are you requesting the Project? 2016,2017, 2018, 2019, or 2020? Enter amount

Project Name	Courthouse Security Perimeter Fencing	Department Priority Ranking	1
Project Type	New Construction	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	Criminal District Court 2700 Tulane AVenue	Council District	B
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	This fence structure would completely surround the building and would provide access points at the three main pedestrian entries and the two vehicular access points. All access points would be equipped with proximity card readers tied to a central security system. The fence would be composed of pile supporting grade beams, a concrete base wall 4" high and columns 10' on center. An 8' fence of solid steel pickets with spear tips and punched stabilization bar. Two small gatehouses would be built at the Tulane Avenue entrance.		
Five Year Summary	The purpose of the perimeter fencing is to move the weapons search process to the building perimeter. By moving this first search process out of the building, it will reduce the chances of someone slipping through the already congested building entrance and improve the building's security and safety of the Courts and the citizens who work and visit the building.		
Has an Architect or Engineer prepared drawings for this project?	No	If Yes please explain how this was funded and current status	
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	No	Please provide estimate of increase or decrease operating costs.	
Estimated Cost of Project: (Include Design, Construction, Testing, Contingency, etc.)	\$923,044.00	Proposed Funding Source	Bonds
