MASTER PLAN APPLICATION

APPLICATION FOR AMENDMENT TO
PLAN FOR THE 21ST CENTURY: NEW ORLEANS 2030 (THE MASTER PLAN)

Complete Application Required: Use this form for all requests to amend Plan for the 21st Century: New Orleans 2030 (the Master Plan). The City will not process an application that does not have all the required items. To accept your application, each of the items listed under Required Components must be submitted at the same time.

Early Consultation: Prior to submitting an application, the applicant is required to set up a pre-application conference meeting with a City Planner to discuss the proposal. City Planning staff will provide the applicant with assistance and information on the application feasibility, decision criteria, review time, and whether a Neighborhood Participation Program (NPP) meeting is required.

Application Acceptance: All applicants are required to bring in one copy of the application package for informal review by a staff planner, prior to the formal application to ensure that the application is complete. Applications will be accepted at the City Planning Commission between 8:00 AM and 5:00 PM Monday through Thursday and between 8:00 AM and 3:30 PM Friday. No appointment is necessary for the formal application submittal; however, an appointment with a City Planner is necessary for the early consultation. Mailed, faxed or e-mailed applications will not be accepted.

Purpose: The Master Plan is a long-term vision for the future of New Orleans. It contains policy recommendations across a spectrum of topics, but with a particular focus on the built environment. Amendments reflecting updated information, changing trends, best practices, or community goals are generally either text changes or revisions to the Future Land Use Map (FLUM). Text amendments affect the policies of the comprehensive plan on a City-wide level. Map amendments influence the potential uses and development of specific properties. A FLUM amendment may affect a site's zoning designation when zoning is revised comprehensively or when a zoning change application is submitted. Text and map amendments must be consistent with the overall policy intent of the Master Plan. Justification for the change(s) within the context of the Master Plan is the responsibility of the applicant.

When to Apply and Process: In 2016, the amendment application period will begin on April 25th and close on July 30th. Once the amendment application packet is submitted for review, the City Planning Commission will arrange a public meeting and publish a notice in a local newspaper of general circulation at least fifteen days in advance of the meeting. In addition to the public meetings, the City Planning Commission will hold a public hearing(s) to approve, approve with modifications, or disapprove the proposed amendments. A staff report and recommendations will be available to aid the discussion. The Planning Commission's recommendation will be forwarded to the City Council for final disposition.

REQUIRED COMPONENTS

Amendment to Text of Master Plan
- Completed application form
- Reasons for change may address the following criteria:
  - Public benefits from the proposed change
  - Health, safety & welfare
  - Evaluation of current public policy
  - Other factors
- FEE: $1,500 (*Only applies to descriptions of the Future Land Use Categories of Chapter 14, Sections C and D)

Amendment to Future Land Use Map
- Completed application form (must be the property owner)
- Neighborhood Participation Program Report (see NPP Resource Guide)
- Reasons for change may address the following criteria:
  - Change in land use trends
  - Impacts on neighboring property
  - Evaluation of existing zoning classification & the current future land use classification
  - Public benefits from the proposed change
  - Health, safety & welfare
  - Other factors
- Photographs of subject site
- FEE based on table below

Lots 0-4,999 sq ft	$1,000	Lots 25,000-74,999 sq ft	$3,000
Lots 5,000-24,999 sq ft	~~$2,000~~	Lots 75,000 sq ft or more	$4,000

TOTAL 19 PER PAUL

Accepted forms of payment include check, cashier's check, money order, Visa, MasterCard, & Discover.

TO BE COMPLETED BY CPC STAFF

MASTER PLAN APPLICATION

REQUEST FOR CHANGE IN TEXT OF MASTER PLAN
REQUESTS OPEN TO ALL RESIDENTS

For text amendment changes, including changes to graphics, tables, or maps, the applicant must provide the chapter as well as the page number of the amendement that the applicant wishes to change. Proposed additions to the text should be underlined; proposed deletions from the text should be indicated by strikethrough. If the change is for a graphic, table, or map other than the Future Land Use Map(s), indicate the volume, chapter, and page number along with the title of the graphic, table, or map.

Volume _____ Chapter(s) _____ Page No(s) _____ Title(s) _____

Attach a copy of current graphic, table, or map, if applicable.

Specific proposed change to text (if necessary, applicant may submit additional sheets):

REQUEST FOR CHANGE TO FUTURE LAND USE MAP
MAY BE REQUESTED BY OWNER OF PROPERTY(S)

For a change to a Future Land Use Map, there must be a clear description and map of the boundaries. The request should indicate the present Future Land Use Map designation and the designation that is being requested for the area. If more than one category is being requested, precise boundaries of each requested land use designation must be described and indicated on maps. A statement describing the reasons for the requested change must be included in the application.

Boundaries of Area (A separate applicaton is needed for each non-contiguous property) _____

Freret & Calhoun, 5 contiguous Lots, Addresses 6321, 6301, & 6309 Freret, 6321 Freret Street also has frontage on Robertson St.

Municipal Address(es) _____

6321 & 6325 Freret St., 6301 & 6309 Freret St., New Orleans, LA 70118

ACKNOWLEDGMENTS

If ownership is joint, each owner must be listed. If multiple squares, then applicants must own not less than 50% of the land for which the amendment is requested. If ownership is a partnership, the Partnership Agreement must be included. If ownership is a corporation, Articles of Incorporation and a Board Resolution authorizing an individual or agent to sign on its behalf. If ownership is an LLC, Articles of Organization and legal documentation authorizing an individual or agent to sign on its behalf must be included. If necessary, applicant may be required to submit proof of ownership documents, such as copies of a recorded act of sale, act of exchange, act of donation, or other documents.

I (we) hereby affirm that ownership and property information presented on this application is current and accurate and I (we) acknowledge that inaccurate or incomplete ownership, improper authorization, or property identification will make this application and resulting actions null and void. I (we) the undersigned owner or authorized agent of the area of land described above, hereby submit for your approval the above-stated request.

Applicant Signature Anthony Morris Date July 18, 2016

Applicant Signature _____ Date _____

STATE OF LOUISIANA, PARISH OF ORLEANS

Before me, the undersigned authority, personally appeared the person(s) whose signatures are affixed above, all of the full age of majority, who declared under oath to me, Notary, that they are the owners or authorized agents of the property described above, and that their signatures were executed freely and voluntarily and that they are duly qualified to sign.

Sworn and subscribed before me this 18th day of July 20 16.

Adopted May 23, 1882, and amended up to
March 15, 2012

UNITED STATES OF AMERICA,
STATE OF LOUISIANA,
CITY OF NEW ORLEANS.

Be it known, that on this twenty-ninth day of the month of May, in the year of our Lord one thousand eight hundred and eighty-two, and of the independence of the United States of America the one hundred and sixth,

Before, Charles G. Andry, a notary Public, duly commissioned and sworn, in and for this city and the Parish of Orleans, State of Louisiana, therein residing, and in the presence of the witnesses hereinafter named and undersigned,

Personally came and appeared, the several persons whose names are hereunto subscribed, who declared, that availing themselves of the provisions of the statutes of this State relative to the organization of corporations for literary, scientific, religious and charitable purposes, they do by these presents organize themselves into a body politic and corporate, with the view of carrying out the wishes, intentions and suggestions of Paul Tulane, Esq., formerly of the said city of New Orleans, and now residing in Princeton, in the State of New Jersey, as the same are expressed and set forth in a letter to them, the present appearers, by the said Paul Tulane, dated the second day of May, 1882, the original of which letter is hereunto annexed, and is transcribed herein for reference and explanation, and is in the following words, to-wit:

Princeton, May 2, 1882.

To Messrs. Randall L. Gibson, Chas. E. Fenner, James McConnell, T. G. Richardson, M.D., Edward White, E. H. Farrar, P. N. Strong, B. M. Palmer, D.D., Hugh Miller Thompson, D.D., Chas. A. Whitney, Sam'l. H. Kennedy, Walter Stauffer, Cartwright Eustis, Henry Ginder, John T. Hardie, R. M. Walmsley, and Wm. O. Rogers:

GENTLEMEN--A resident of New Orleans for many years of my active life, having formed many friendships and associations dear to me, and deeply sympathizing with its people in whatever misfortune or disasters may have befallen them, as well as being sincerely desirous of

There are other States whose laws do not, by taxation, repel such gifts in aid of education, whose wise example, I am assured, will be followed by the State of Louisiana and the city of New Orleans in such instance; and I earnestly urge that you make immediate effort to secure the exemption of this property from taxation, and be constant in so doing until your efforts are successful.

The character of the property donated is to remain unchanged. It cannot be mortgaged, and it cannot be sold nor incumbered in any way, except at the end of not less than fifty years, as hereinafter stated. Mortgaging it or selling it, and the investment of the proceeds in stocks, bonds or other securities, might and probably would lead to disaster, owing to the uncertain and fluctuating nature of the value of securities of every description. On the other hand, the real estate, the title to which I intended to donate to you, is well located, and cannot fail to increase in value as the city shall become prosperous.

You must keep the property well insured in solvent offices and in good repairs, so that the best rental possible may be realized.

The plans and details of any organization, corporate or otherwise, must of necessity be left to your own judgment; but I desire to communicate to you my wishes in such manner as to enable you more fully to enter into the motives which impel me, thereby enabling you completely to enter into my thoughts and purposes.

Of course, whatever I may determine to donate to you, should you conclude to organize, will be (whilst leaving you the absolute owners of the property) with the object of enabling you, in your discretion, to use the revenues for the purpose already by me mentioned.

I suggest and recommend -- 1. That in your organization, whatever form it may assume, that my friend, Gen. Randall Lee Gibson, be your chairman or president, and that Judge Chas. E. Fenner and James McConnell may be vice presidents or vice chairmen. 2. That you provide for the filling of any vacancies in your number by death, resignation or otherwise, by election. 3. That whilst my desire is that you shall continue my purpose for more than fifty years, nevertheless I would consider it no violation of these wishes should you, when organized, determine, after fifty year, no longer to perform the duties

fixed in the City of New Orleans, Parish of Orleans, State of Louisiana, and it shall exist and continue during ninety-nine (99) years from the date of incorporation and perpetually thereafter in accordance with the provisions of Act No. 43 of the Louisiana State Legislature of 1884.

ARTICLE II

The corporate powers of this corporation shall be exercised by the following named incorporators, and their successors, who shall constitute a perpetual Board of Administrators, to-wit: Randall Lee Gibson, Charles Erasmus Fenner, James McConnell, Tobias Gibson Richardson, M.D., Edward Douglass White, Edgar Howard Farrar, Paschal Neilson Strong, Benjamin Morgan Palmer, D.D., Hugh Miller Thompson, D.D., Charles Augustus Whitney, Samuel Horton Kennedy, Walker Robinson Stauffer, Cartwright Eustis, Henry Ginder, John Timmons Hardie, Robert Miller Walmsley, William Oscar Rogers. The number of active members comprising the Board shall be 17, or such greater number as the Board of Administrators may determine from time to time, as provided in the Bylaws.

For historical purposes, it is noted that the original Charter provided for a President and two Vice Presidents, a Secretary and Treasurer and stated as follows:

"The President is hereby declared to be Randall Lee Gibson; Judge Charles E. Fenner shall be the First Vice President; and James McConnell, Esq., the Second Vice President."

ARTICLE III

The objects, purposes and powers of this corporation are hereby declared to be: To hold property, both real and personal, by purchase or by donation, for education purposes, and to use and dispose of the same upon the terms and conditions upon which the said property is or may be donated or acquired.

The corporation's powers shall be subject to any limitations imposed by the provisions of the Internal Revenue Code of 1986, as amended (the "Code") on the corporation as an organization described in Section 501(c)(3) of the Code that qualifies as exempt from federal income taxation under Section 501(a) of the Code and as an

ARTICLE IV

The officers of the corporation shall be a Chairman and such Vice Chairmen as may be provided in the Bylaws, elected by the Administrators from among their number, the President of the University, and the Secretary of the Board (who shall also serve as Secretary of the University); and such other officers as may be provided for in the Bylaws. The officers of the corporation shall serve such terms and shall have such authority and discharge such duties and responsibilities as shall be specified in the Bylaws.

ARTICLE V

The registered office of the corporation is located at 6823 St. Charles Avenue, Suite 300 Gibson Hall, New Orleans, Louisiana 70118. The registered agent of the corporation is the General Counsel, at the above address.

ARTICLE VI

A general meeting of the Administrators will be held at least once a year on the third Thursday of May, but if not held on that date, the next regular meeting of the Administrators shall be deemed to be such general meeting.

Any Administrator absent from a meeting of the Administrators or any committee thereof, may be represented by any other Administrator, who may cast the vote of the absent Administrator according to the written instructions, general or special, of the absent Administrator. Such written instructions, or proxy, of the absent Administrator must be submitted to the Recording Secretary of the Board not less than three (3) business days prior to the meeting to which such proxy applies. Proxies not submitted in accordance with this Article shall not be valid.

The rules and regulations for the conduct and management of the business of the corporation and the administration of its property shall be provided for by By-Laws to be adopted by the Administrators and which shall be subject to amendment at any regular meeting of the Administrators by a majority thereof.

of the University, the Board of Administrators dedicated Two Million Dollars ($2,000,000) of University funds functioning as endowment to the Newcomb Foundation. This Two Million Dollars ($2,000,000) and all funds thereafter contributed to the Newcomb Endowment, (both hereinafter referred to as "Endowment Funds") shall be invested by the Board with all other endowed funds of the University and paid out at the rate used for such other endowed funds. Earnings from the Endowment Funds shall be allocated by the Executive Director of the H. Sophie Newcomb Memorial College Institute upon the advice of the Advisory Board of Trustees in accordance with the purposes of the Foundation and the terms of any gift.

Portions of this Article may be amended, revised or repealed only after written notice has been provided to each member of the Advisory Board of Trustees of the Newcomb Foundation at least ninety days prior to a regular meeting of the Board of Administrators. Any change or changes in this Article shall require the approval of ninety percent of the entire Board of Administrators.

Thus done and passed in my office, in the City of New Orleans aforesaid, on the day, month, and year first above written, in the presence of Messrs. Edgar Grima and George Grima, competent witnesses, both of this city, who hereunto sign their names with the said appearers and me, the said Notary, after due reading of the whole.

The original is signed; Randall Lee Gibson, Chas. Erasmus Fenner, James McConnell, Tobias G. Richardson, E. D. White, Edgar Howard Farrar, Paschal Neilson Strong, Hugh Miller Thompson, Samuel H. Kennedy, Cartwright Eustis, Henry Ginder, William O. Rogers, B.M. Palmer, Walter R. Stauffer, Chas. A. Whitney, John T. Hardie, R. M. Walmsley, Edgar Grima, George Grima, Charles G. Andry, Notary Public.

Having examined the foregoing Act of Incorporation, I am of the opinion that the purposes and objects of the same, as specified therein, are legal and that none of the provisions therein contained are contrary to law. I therefore approve the same.

JOSHUA G. BAKER

Master Plan Amendment

Reason for Future Land Use Map Change Request from Tulane University

Tulane University would like to request that the FLUM classification of the following parcels be changed to Institutional (INS):

- 6321 & 6325 Freret Street
- 6301 Freret Street
- 6309 Freret Street
- 6318 Magnolia Street
- 6320 Clara Street
- 6320 S. Claiborne Avenue

All of these parcels are owned by Tulane University and currently considered part of its Uptown Campus. These parcels are contiguous to the other sections of campus, currently classified as Institutional on the Future Land Use Map. These parcels are part of the university's comprehensive approach to stormwater management which is outlined in the Institutional Master Plan, to be filed with the city by August 10, 2016. Tulane also has plans to use these parcels as an enhanced landscape transition zone between the adjacent neighborhood on Calhoun Street and the interior of campus.

NPP SUMMARY REPORT

I. **Official NPP** - June 8, 2016 from 6pm-8pm in Freeman Auditorium
   A. Participants - 14 people attended the meeting and 13 people and one neighborhood association contacted us by other means for a total of 27 individual participants.
   B. Attachments
      a. List of concerns, issues, and problems expressed by participants followed by statement addressing them.
      b. Contact List of those noticed, as provided by the CPC
      c. Contact List of those noticed via Tulane's Neighbor Email List
      d. NPP Meeting Invitation
      e. Meeting Sign In Sheet
      f. List of emails and calls received in support of or in opposition to projects and / or regarding the notification process

II. **Pre-NPP** - January 21, 2016 from 6pm- 8pm in Freeman Auditorium
   A. Participants – The following five (5) people participated in the meeting: Anne and Jack Dardis, Keith Hardie, Brad McWorter, and Robert Morris.
   B. Attachments
      a. Contact List of those noticed via Tulane's Neighbor Email List
      b. Meeting Invitation
      c. Article from Uptown Messenger

III. **Process Notification** - June 25, 2015 from 8am-9am in Room 210 of the LBC
   A. This meeting was limited to the presidents of the surrounding neighborhood associations. The following five (5) neighborhoods were represented: Central Carrollton Association, Maple Area Residents, Audubon Blvd, Versailles Blvd, and Marleyville.
   B. Attachment – Contact List of those noticed of meeting

Official NPP – June 8, 2016

List of concerns, issues, and problems expressed by participants followed by statement addressing them.

Responses to Public Comments to NPP Presentation
Tulane University | June 8 - July 8, 2016

Additional Considerations

1. AMY DREW: I'd like to request or ask if it's possible that, as that corner [Freret and Calhoun Streets] is incorporated into the main body of the campus, if you could look into increasing the pedestrian safety there at Freret and Calhoun. It's a very high pedestrian intersection and it's pretty dangerous right now. There are constantly people turning right on red into pedestrians. If you're improving the pedestrian crossing at McAlister and Freret, I'd like you all to look into seeing what you can do at Calhoun and Freret, as well.

Tulane Response: *Tulane will consider ways to prioritize pedestrian safety in zones where vehicles are present, especially at the thresholds to the uptown campus.*

Density

2. JIM LOGAN: Jim Logan, 1222 Fern Street. With the changes to the residential buildings on the Newcomb side and the Tulane side, what would the increased capacity be after you get the extra height? How many more students, basically, would you be able to accommodate? What's the number of students living on campus now? Is this a calculated capacity or aspirational?

Tulane Response: *Improvements to the residence halls, as illustrated in the proposed IMP, mainly relate to the university's aging housing stock, deferred maintenance issues, and a desire to improve recruitment and retention with higher quality facilities. Tulane's on-campus residential halls currently accommodate approximately 4100 students. Tulane requires that freshman and sophomores reside on campus. As Tulane begins to study housing renewal, redevelopment sequence and bed capacity will be reviewed in order for Tulane to keep students on campus and not push them into the neighborhoods. The IMP considers all housing redevelopment sites as aspirational.*

Mitigation of Construction Impacts – Traffic

3. CAROL CAPLAN: Carol Caplan, 2319 Calhoun. In previous years, and I know it starts in the summer where you have less students—and I saw a workman out, saying he was gauging the street traffic for the Tulane projects coming up. And I mentioned to him that we are not a truck route—that Nashville is a truck route, and I have followed trucks into your campus that have shook my house and probably shook the other lady's house. What are you doing—and I go and I talk to the contractor, and the contractor said, oh, they're a sub—what are you doing to keep trucks off of Audubon Boulevard, which is not a truck route, and Calhoun Street, which is not a truck route.

4. Louise Dabezies 3021 Calhoun Street– called Lauren Jardell on 6/8 regarding the use of Calhoun Street. Ms. Dabezies does not want construction trucks utilizing Calhoun Street to access projects on the Tulane campus. She said that Calhoun street can't handle the heavy truck traffic and that her house shakes when the UPS truck goes by.

Tulane Response: *The university does not endorse the use of those streets for contractors to access campus. Tulane gives written instructions within each of our construction contracts as to which routes are appropriate to service campus which do not include Audubon Boulevard or Calhoun Street. Tulane penalizes each violation.*

5. TANYA JOHNSON: Tanya Johnson at 2126 Calhoun Street. We usually have to cross campus to get our kids to school. We are on the other side of Broadway. And because of that, I'm kind of wondering how – I understand that the traffic maps are actually showing that it would be just as easy to get across, but when we're walking, we have to walk all the way across and around campus to get to Broadway to get them to school, and so most of the time, so that we can get there on time, our only option is to drive. Is it going to slow us down very much, having that [pedestrian] area on Freret—

Tulane Response: *The university's goal is to enhance pedestrian circulation with the proposed project on Freret while maintaining vehicular circulation.*

6. EILEEN FARRIS: Eileen Farris. I live at 2340 State Street. I'm going back to more students on campus. Any other information or master planning about changing the bus schedule that you all have or the sizes of the busses that are travelling up and down our streets? Can we get information on the plans?

Tulane Response: *Tulane doesn't have any plans to change the sizes of busses, necessarily. Tulane is evaluating our entire parking and transportation operation. It started in the spring and it's ongoing, so it's to be determined. As Tulane decides to make adjustments, information will be shared primarily on the transportation website.*

Mitigation of Construction Impacts – Vibrations

7. TANYA JOHNSON: (2126 Calhoun) With the construction that's going on at the business school right now, our house is already shaking. Are there any plans for mitigation for those effects in the neighboring areas for all of these other construction projects?

Tulane Response: *The university currently engages in vibration monitoring in the areas surrounding a job site. Tulane will have someone review the house in question.*

Responses to Public Comments to NPP Presentation
Tulane University | June 8 - July 8, 2016

Overall / Process

8. UNIDENTIFIED SPKR: I keep hearing storm water management and that's great. Does that mean that the next 20 years, some of those properties [residence halls] are going to be torn down, rebuilt, and may get the changes you're asking for? Which means increase in the number of people that live there?

Tulane response: *In reference to the residence halls, the ones that Tulane has identified for redevelopment in the IMP are the only ones that are currently targeted as potential new developments. As previously mentioned, as Tulane begins to study housing renewal and redevelopment bed capacity will be included.*

9. UNIDENTIFIED SPKR: As trends evolve, ten years from now, we may need to put a couple additional floors there, or even a brand new, beautiful water control building with about 60 students in it. You know, that's what's worrying us. This thing, you're moving something that says increased density from low density. As soon as you say that, everybody in the neighborhood starts worrying about it.

Tulane Response: *The plans illustrated in the NPP presentation are aspirational. Tulane has not secured funding for any of these projects and no plans have been drawn for any of these projects. 10 years is an extremely aggressive timeline to accomplish all of the projects illustrated. This plan is in response to the mandatory filing of an Institutional Master Plan per the new Comprehensive Zoning Ordinance.*

10. JACK DARDIS: Are there currently any other acquisitions planned, other than what's on this plan?

Tulane Response: *Tulane has no active acquisition plans at this time.*

Parking

11. JACK DARDIS: I don't see any parking changes to the campus. Is there any plan for additional parking anywhere on campus?

Tulane Response: *Tulane does not have any plans for any additional structured parking. Tulane is meeting and will continue to meet the CZO parking requirements as projects move forward. Tulane recognizes that parking capacity alone does not drive people to park on campus which is why we have worked with Loyola to add available spaces near the front and middle campus and are reviewing the operations.*

12. JACK DARDIS: Are you going to change any rules about automobiles with the classes. Are there going to be limits to freshmen to not have cars the way they— If you put them [seniors] there [Monroe Hall], you're going to make the parking in our area [Calhoun] much heavier.

Tulane Response: *Tulane prohibits freshman from having cars on campus. Tulane also has an arrangement with Loyola for 200 spaces in their garage, which helps to mitigate the desire to park closer to the middle campus buildings.*

13. JACK DARDIS: Isn't that sort of temporary? Because as enrollments turn out, there's no long-term plan to have 200 spots used by Tulane, is there?

Tulane Response: *The parking agreement with Loyola has been increasing every year. Tulane is talking to them about long-term arrangements.*

14. JACK DARDIS: Is there a deadline for the parking study, because there is certainly going to be some impact on the neighborhood with parking with this plan. The parking study is something that you mentioned was ongoing. Is there a deadline?

Tulane Response: *The on-going study previously mentioned is specific to parking operations it does not include space counts.*

15. JACK DARDIS: No plans for any increased parking?

Tulane Response: *Tulane does not have plans to increase on-campus parking at this time. Increases are possible through the Loyola agreement previously mentioned.*

16. JACK DARDIS: How can you add those additional buildings and not have parking spaces? Does the Educational District give you the right to do that? I thought that the plan—

17. JACK DARDIS: You're increasing those who choose to have a car but don't tell you about it. They just put it in the neighborhood somewhere. That's what I thought of unintended consequences like the smoking ___ adopted by the court, but we have the smoking areas allowed—I'm talking about unintended consequences that we worry about.

18. ABA Letter: Despite addition of several new buildings and expansion of even more, ABA understands that there are no new parking lots being planned to accommodate growth. This is simply unacceptable.

Tulane Response: *Tulane is meeting and will continue to meet the CZO parking requirements as projects move forward. Tulane recognizes that parking capacity alone does not drive people to park on campus which is why we have worked with Loyola to add available spaces near the front and middle campus and are reviewing the operations.*

19. ABA Letter: There are abuses of the 2-hour parking between Willow and Hickory streets from blocking driveways to parking on the grass to parking in residents' driveways and walking to Tulane's campus. There are also troubles between Hickory Street and Claiborne Avenue with Tulane

student/faculty/contractor/guests parking in the morning and leaving their vehicles all day, leaving little or no room for friends or family to visit and park on the street.

Tulane Response: *Tulane supports residential parking restrictions where there is neighborhood consensus.*

Project Specific

20. AMY DREW: I'm Amy Drew at 2310 Calhoun. What, specifically, is the height variance you're looking at for Patterson, and are there any other plans on the books for Sharp and Monroe?

Tulane Response: *There are no other plans on the books for Sharp and Monroe. Paterson would go from a three story to a [potentially] seven story residence hall. The variance request at the Paterson site is related primarily to set back which would not be required if the Master Plan amendment is approved.*

21. ABA Letter: The plan does not provide any detail concerning setback, drainage, elevation, times of use or noise. ABA is also concerned with construction being so close to our neighbors' homes and the lack of detail concerning pile driving, construction noise, contractor parking, construction trucks using Audubon Boulevard for ingress/egress, debris removal, dumpster usage, staging or change in ABA resident's quality of life and quiet enjoyment of our property throughout construction/development.

22. Kelly Duncan 33 Audubon Blvd. – called Lauren Jardell on 6/14. Mr. Duncan feels the proposed Reily Center expansion is inconsistent and incompatible with the surrounding area. It shows a lack of consideration for the neighbors. He also feels the NPP notice was disingenuous because it did not reflect the impact to the Audubon Blvd. side of campus. He sent a more detailed email on 6/30. [INCLUDED]

23. ABA Letter: Building directly affecting Audubon Blvd: New construction noted on Janet Yulman Way, Reily Center Expansion [current tennis courts]. This project is located behind Audubon Blvd #s 27, 33, 35, 39, 43 &49.

24. ABA Letter: Building directly affecting Audubon Blvd: Indoor Practice Facility [current Mintz Field]. This project is located behind Audubon Blvd #s 119, 129, & 149.

Tulane Response: *As mentioned at the NPP meeting, all of the projects included in the IMP are aspirational at this time. The university does not have funding to move into a design phase for these projects, massings shown are conceptual to test the zoning parameters and identify potential needs for variances. This plan is in response to the mandatory filing of an Institutional Master Plan per the new Comprehensive Zoning Ordinance. When a project impacting the residential districts gets a green light to*

begin a design phase the university will work with the community to best develop the project in the interests of both the university and its neighbors.

Storm Water

25. ABA Letter:

Stormwater Management Concerns:

- ABA is greatly concerned about the effects of Tulane's extensive on-campus growth and what seem to be minor improvements to their existing storm drainage system, which is regularly overburdened. We would like to see significant improvements to Tulane's storm drainage.
- Tulane's growth plans effect ABA regularly in flood and flash flood situations. According to Tulane's Master Plan, there is no apparent storm or other drainage improvements near Audubon Blvd.

26. Harold Fuselier 10 Audubon Blvd. – sent an email on 6/14 regarding storm water. [INCLUDED]

27. Al Bienvenu 14 Audubon Blvd. – sent an email on 6/14 and 6/21 regarding storm water. [INCLUDED]

28. CAROL CAPLAN: Thanks. I'm Carol Caplan. I live at 2319 Calhoun Street, and I'm a real estate agent. When you see the new flood maps, number six, you are pouring water out of your campus onto Willow Street down Clara, down Magnolia. That's against the law. Why don't you, in this process, before you start all this, why don't you have a flood barrier there to protect us?

Tulane Response: *In conjunction with the Master Plan a comprehensive storm water management plan was developed. The plan encourages the implementation of a variety of different solutions to slow down storm water and allow time for it to infiltrate on campus before it meets city streets. These best management practices will be integrated into each capital project the university takes on and through a larger campus approval as per the new CZO guidelines.*

29. TANYA JOHNSON: [2126 Calhoun Street] I have a similar concern. Are these reservoirs going to be open water sources? Because that's a breeding ground for mosquitoes, as well.

Tulane Response: *No, the areas in question would not be designed to hold standing water. The stormwater solutions proposed allow a place for water to slow down and percolate through the soil. Any standing water would be a temporary condition as per the CZO and BMPs, water will not be allowed to stand for more than 48 hours.*

30. TANYA JOHNSON: So my other question is, because the water does actually drain into our area, is there any plan to raise the roadways in front of or along Calhoun Street to maybe push water backwards towards those reservoirs?

Tulane Response: *Tulane does not have plans currently to raise the roads on the Calhoun side of campus.*

31. JACK DARDIS: I'm sorry, Jack Dardis, at 6321 South Robertson. When you raise Freret, isn't that going to make the water come more to Calhoun? If you raise Freret Street?

Tulane Response: *No, that would not be the intent. Improving the stormwater condition at Freret Street will be an important objective of that proposed project when it is designed and ultimately built. It has not been studied in detail at this time. An engineered solution incorporating pervious paving and/or subsurface water storage cells would likely become part of the solution.*

32. JACK DARDIS: How would you define the current use [of the Magnolia site]?

33. JACK DARDIS: You're using it today. How would you define the use of it? I guess what I'm asking on your plant. The use of it currently is for mud and gravel and sand and a dumpster on that property. So I'm curious what you currently call the use of that property?

Tulane Response: *The university has not been able to use it for anything besides leaving it as open space. With the incorporation of the property into the EC district the university proposes to use it for stormwater management through a landscape buffer to ease the transition from campus to neighborhood.*

34. UNIDENTIFIED SPKR: You talked about the smaller properties on the Calhoun side and that little bit of Freret being used as part of your overall storm water management programs or plans, whatever. What percentage would they amount to of the entire—if you weren't able to incorporate them, what would you lose? What's the percentage? It seems so small.

Tulane Response: *At this time those properties, because they are not zoned to be a part of our EC District, do not aid our stormwater calculations so the university has not invested in a current volume detailed study of those parcels. We are unsure of the percentage of storage that can happen there, but it could become a catchment zone for stormwater before it reaches our Calhoun neighbors.*

35. UNIDENTIFIED SPEAKER: Could you be specific on what you're going to do on those properties you've asked for variances for when you say water management, because one of them now is nothing but a mud yard and has been like that for a while. Are you doing there what you're doing at 6320 South Robertson?

36. CHRISTOPHER JOHNSON: I'm glad that you mentioned that you have a multiple variety solution to all these storm water management plans. It's a great idea. I know engineering will prove well. However, I also want to talk about vacant unprogrammed space. What is the intention of the University to program the space so it's used or protected so it's not used or have controlled

activity? Or will it lie in a vacant nebulous zone to where it's not quite identified as being usable by the public or Tulane property or neither? And once it becomes indeterminate, that's when problems begin, not only for security but also just for it's an eyesore if nobody's taking care of it, or it just becomes a questionable neighbor? What activities can happen there?

Tulane Response: *The best example the university can provide would be the Glazer Gardens on Willow, a place that is used for leisure recreation and some experimental gardening for the students. Appropriate lighting and fencing has been installed at the site.*

37. TANYA JOHNSON: Could the quads or any of the spaces on campus be used for that water retention?

Tulane Response: *The university has already factored them into the campus totals.*

Variances

38. ABA Letter: Building directly affecting Audubon Blvd: New construction noted at the corner of Audubon Blvd and Willow Street [current Student Health Center site]. This project is located across from Audubon Blvd # 4.

39. UNIDENTIFIED SPKR: What are the heights in New Orleans – you say what does the City of New Orleans lets you do? [current Student Health Center site]

Tulane Response: *That's [proposed project] within the height regulations. It's the side yard setback distance from the property line that would be the variance request for that site. It's not a height issue.*

40. UNIDENTIFIED SPKR: So all the buildings that you are going to renovate can go to seven floors?

Tulane Response: *Current zoning allows for that.*

41. UNIDENTIFIED SPKR: So you said you are seeking a variance—

Tulane Response: *It is for setback. The setback distance.*

42. UNIDENTIFIED SPKR: How far is the setback?

Tulane Response: *A variance would be needed for the setback distance, 25' is the current base regulation. The proposed new residence hall is 12' from the property line. This setback would maintain the campus fabric edge character. If the requested City Master Plan Map amendments are adopted there would be no need to request the variance.*

43. JACK DARDIS: On the setback, could you be more specific about what you're talking about on those properties with the setback—I'm just curious because I

know that the doctors who own the tennis court are just curious about what's going to happen on Magnolia Street, because that goes to that tennis court.

Tulane Response: *Sharp and Monroe wouldn't have any change to them in our housing plan. At the Magnolia site we would just be incorporating that land so that it can be a part of our campus boundary and zoning designation as well as included in the storm water management plan, and that's so we can also include it in the enhanced landscape perimeter plan, as well. Enhancing the landscape will allow the university to create a better transition zone from the neighborhood to campus.*

Future Land Use Map (FLUM)

44. CAROL CAPLAN: So this lot that has gravel and mud right now, you are going to put trees?

45. UNIDENTIFIED SPEAKER: Would that mean you'd have pumps on there [S. Robertson lot] or--?

Tulane Response: *Tulane will not install external pumps on the site [S. Robertson lot] or anything of that nature. Any solution would be respectful of the neighborhood and the environment. Tulane would prefer to address stormwater on those parcels through soft, landscaping solutions – something that is more sustainable – like rain gardens or bioswells.*

46. UNIDENTIFIED SPEAKER: Do you plan to move some of the recyclable equipment that is near some of those properties? Is that going to be moved or stay on the site?

Tulane Response: *Those [Waste Management Equipment] will continue to be where they are. They are not going to move to those properties.*

47. PETER EVERETT: [6120 Delord] At 6320, right now—Clara – the house right there, would you all knock that house down? I'm buying a house across the street from there. So I'm very concerned with what you're going to do with the property.

Tulane Response: *The university put a lot of improvements into that house this year and we are preparing to do some improvements with the sidewalk. A member of our administration that lives in that house so it will remain. Incorporating that property into the EC District will reduce the need for a variance on setback for the proposed project at the Paterson site. It would also contribute to the campus' stormwater calculation.*

48. UNIDENIFIED: Why would you change the zoning if you're just going to be improving and live in the house that is there?

Tulane Response: *Though the current use would not change Tulane wants to be able to include the pervious surfaces to the university totals to improve the*

campus' stormwater management calculations. The amendment would also reduce the need for a variance.

49. AMY DREW: I'm Amy Drew from 2310 Calhoun, again. Are the current buildings between Calhoun and Freret and the law school going to be demolished?

Tulane Response: *No, there are no plans to demolish these buildings at Freret.*

50. JACK DARDIS: What does Education Campus District give you the authority to do that you don't have today?

51. JACK DARDIS: Does that give you the right to do other things with that property than are existing?

52. Anna May Poirier 43 Audubon Blvd – called Lauren Jardell on 6/6 and asked if the uses of the 7 properties for which we are seeking FLUM Amendments would change. Mrs. Poirier called again on 6/29 and requested a copy of the NPP presentation be mailed to her; it was mailed on 7/1.

53. Pamela Rogers 2926 Calhoun Street – called Lauren Jardell on 6/8 and asked if the uses of the 7 properties for which we are seeking FLUM Amendments would change.

Tulane Response: *Reclassifying the property to Educational Campus District would allow us to create a more gracious transition zone at our campus edge, giving a landscaped buffer to our neighbors on Calhoun. It also allows Tulane to incorporate those properties into the storm water management program and officially designate them as part of Tulane's campus.*

54. JACK DARDIS: What is the outline of this Educational Campus District, just your property?

Tulane Response: *The EC District boundary was defined by the City of New Orleans. It does not incorporate all of the properties owned by Tulane. That is why the university is requesting a master plan map amendment change for the remnant parcels along the eastern edge of campus – Tulane would like those included in the EC District.*

55. JACK DARDIS: So there's nothing outside of your property called the Educational District in the zoning plan?

Tulane Response: *Loyola's campus, immediately adjacent to Tulane, is also designated EC District.*

56. CAROL CAPLAN: And the dotted red lines are up to vote whether they get to be incorporated? Is this voted on by City Council?

Tulane Response: *Yes, those properties have to go through the Future Land Use Map Amendment process. It will be reviewed and approved by the City Planning Commission and then be voted on by the City Council.*

OTHER

57. JIM LOGAN: When you were moving the moving the residential by class year from—I would pose an alternative consideration that my children have experienced going to school elsewhere, where you integrate most of the classes together, because the upperclassmen have a tendency to add, as a maturing influencers, on the freshman class. And so staggering across the campus might actually lead to a more mature student population and you don't have freshmen going crazy when they get on campus in New Orleans, close to bars for the first time.

Tulane Response: *Tulane will consider this comment when developing our housing plan.*

58. UNIDENTIFIED SPKR: You've got another property that you bought that you were going to put a police station on? It's on Broadway and Zimple. Do you have plans for that? How about enhancement - 20 bushes and two trees?

Tulane Response: *Tulane does not have any plans currently for that site. The new zoning restricts Tulane's uses of the site. Tulane will examine opportunities for enhancement on that site.*

59. UNIDENTIFIED SPKR: How much area do you all own at the end of Broadway [University Square]? Is there a reason why you wouldn't be doing that instead of this?

Tulane Response: *Tulane has no plans for the redevelopment of University Square at this time.*

60. CAROL CAPLAN: I am a real estate agent for Latter&Blum, my office is at University Square. Today I had to park next to a rowing truck. We have asked and asked that the non-ROTC units be parked in the back so that we have some parking spaces. My managers have asked and it seems like nothing's been done.

Tulane Response: *Tulane has taken note of this problem and will follow up with Latter & Blum directly.*

61. TANYA JOHNSON: As these projects are developed further, are we going to have additional meetings so that we have some input on how things are proceeding or is there a scheduled group of meetings that will happen as—

Tulane Response: *The university through Tulane's Government & Community Relations Office tries to plan at least one or two community meetings per year to talk about upcoming capital projects and will continue to do so. There*

have been no new capital projects the last couple of years, but we will resume that practice once the projects become active again.

62. WES ANCIRA: I know we have some family members that also have property in the nearby area and ask them if they heard anything about it, and they're out of state. And they didn't get anything. And I think the timing of it is probably a little bit why. The letter was postmarked May 31, and I think that's typically when the leases turn over for the—I think on our street, our block, it's 50% homeowners, 50% rentals—and I think what happens is it's addressed to occupant, and there's a lot of mail that comes from Loyola and Tulane to previous students, and it usually just gets thrown away. So there's a few people here that I know—or a few people that are not here that I know would be interested as well for possible additional meetings

Tulane Response: *The list of addresses for the mail-outs came from the City Planning Commission based on a radius that the City Planning Commission drew for us to contact. There were some out of state addresses on that list because of owners being out of state for those properties. The presentation will be available at the Tulane Government and Community Relations website.*

63. WES ANCIRA: Once the zoning gets passed, what's to stop Tulane from deciding to develop on let's say, the Freret Street portion or change some of the buildings, increase the density to where, if they just turned and say, well, we had this in mind, but plans changed, and then there's really nothing that any of the residents are going to be able to do about that?

Tulane Response: *Once the university's IMP is approved, Tulane would have to go through this process again for any unpermitted projects that were not included in this version of our IMP. To amend the IMP, Tulane has to hold public meetings again The IMP process was designed to allow for more public awareness and increase the time for public input.*

64. CHRISTOPHER JOHNSON: Hi. My name is Christopher Johnson. I'm also at 2126 Calhoun Street. I'm hearing a lot of good conversation about the actual brick and mortar solutions you have for student growth. And hearing that you have a really positive impact on your student population increases, it sounds like there's going to be more student demands on the neighborhood as well, not only the parking, but we found there are other additional demands that come with the students. And then security—they sometimes set themselves up to be in danger of, you know, theft or other things. So, I think, hand in hand, do you have an opportunity to go lockstep with your brick and mortar improvements to have a good neighbor agreement with the neighborhood and with the students that is the soft side of your growth? Where you not only supply the roof over their head, but there are the ancillary soft services that go to making a holistically healthy

student environment and improved town-gown relations. Now not to get into any details, but security is a concern for all of us, not because we are at risk ourselves. We are. We know people that have been victims of things before but also for the students, as well. I think everybody is interested in having a better presence of the community or public police as well as the campus police be responsive, not only to, you know, criminal behavior, but also to late night behavior by the student populations themselves. Good neighborhood agreements have been an institutional part of the zoning ordinance when it comes to many developments around town, primarily popular neighborhoods where you have a lot of activity. Is there a plan, and what is it, that Tulane proposes with a good neighborhood agreement to coincide with your physical improvements? Can you tell more detail about that?

65. CHRISTOPHER JOHNSON: It's not only just good practice but for conditional use applications in the City, that's a requirement.

Tulane Response: *This meeting was very specific and was required by the City to talk simply about the institutional master plan and our proposed Future Land Use Map amendments. This meeting is focused on Facilities. We do hold community meetings about other issues in which we can include a broader conversation. At a future meeting, we will include other university departments such as TUPD, Student Affairs and Athletics, so we can better address your concerns.*

66. Rosemary Brunner 2031 Joseph Street – called Lauren Jardell on 6/8 and requested a copy of the presentation via email. She was notified on 6/13 that the presentation was available via: http://www2.tulane.edu/government_affairs/index.cfm .

67. Carol Jung 6124 & 6126 Calhoun Street – sent an email asking to remain in contact on this issue. [INCLUDED]

68. William Detweiler 2418 Calhoun Street – sent an email and wants to be included on future emails about this. [INCLUDED]

69. Christy Kane 236 Audubon Blvd. – sent an email and requests that Al Bienvenu be kept updated on this as he is the new ABA president. [INCLUDED]

70. Elaine Leyda – sent an email asking for a copy of the presentation. She was notified on 6/13 that the presentation was available via: http://www2.tulane.edu/government_affairs/index.cfm .

71. Suzy McDaniel 2114 Calhoun Street – sent an email letting Tulane know to contact her if the university wants to acquire this property. [INCLUDED]

NPP Meeting Invitation

May 31, 2016

NEIGHBOR NOTICE

Pursuant to Section 4.2.D.2 of the City of New Orleans' Comprehensive Zoning Ordinance, Tulane University is hosting a Project Neighborhood Participation Program related to the following:

1. Institutional Master Plan, as required by Article 15.5 of the City of New Orleans' Comprehensive Zoning Ordinance; and,

2. Future Land Use Map Amendments to the City of New Orleans' Master Plan for the following properties:
    a. 6325 Freret Street, 70118
    b. 6321 Freret Street, 70118
    c. 6309 Freret Street, 70118
    d. 6301 Freret Street, 70118
    e. 6318 Magnolia Street, 70118
    f. 6320 Clara Street, 70118
    g. 6320 S. Claiborne Avenue, 70125

The Future Land Use Map Amendments would incorporate these properties that Tulane University owns into the "EC Educational Campus District," as defined by the City. The specific amendments would change the Future Land Use from "Residential Pre-War Low Density" to "Institutional."

Enclosed please find a map that details both the current boundaries and the properties Tulane University is seeking to incorporate.

Because you are a neighbor or are interested in the neighborhood, you are invited to a meeting where you can learn more about what Tulane University proposes, and present questions and concerns. A record of the meeting will be submitted with the applications to the City Planning Commission.

The meeting will take place: **Wednesday, June 8, 2016 at 6:00pm**
Freeman Auditorium, Tulane University

This letter is being delivered through U.S. Mail. At the meeting, there will be a sign-in sheet to obtain contact information so that Tulane University can keep you updated.

If you have any questions or comments, please contact Lauren Jardell, Director of Local Government and Community Relations at Tulane University. Lauren can be reached at: ljardell@tulane.edu and (504) 988-3394.

It also requests greater detail on our proposed plans.
7/12/16	Mrs. Chesnut	1515 Audubon St.	Phone	Mrs. Chesnut requests that Tulane not place any technical equipment, such as air conditioners, on Audubon or Broadway.

Subject: June 8, 2016 Meeting re: Zoning Issues
Date: Friday, June 3, 2016 at 7:54:56 AM Central Daylight Time
From: Jung, Carol
To: Jardell, Lauren C

I received Tulane's letter regarding the June 8 meeting involving re-zoning certain properties listed on the letter.

I was likely included in the mailing because I own property at 6124-6126 Clara Street.

I am unable to attend the meeting on June 8. However, I would like to remain in contact with regard to this matter.

Subject: Tulane Neighbor Notice: Upcoming Project Neighborhood Participation Program

Dear Neighbor,

Pursuant to Section 4.2.D.2 of the City of New Orleans' Comprehensive Zoning Ordinance, Tulane University is hosting a Project Neighborhood Participation Program related to the following:

Institutional Master Plan, as required by Article 15.5 of the City of New Orleans' Comprehensive Zoning Ordinance; and,

Future Land Use Map Amendments to the City of New Orleans' Master Plan for the following properties:

a. 6325 Freret Street, 70118
b. 6321 Freret Street, 70118
c. 6309 Freret Street, 70118
d. 6301 Freret Street, 70118
e. 6318 Magnolia Street, 70118
f. 6320 Clara Street, 70118
g. 6320 S. Claiborne Avenue, 70125

The Future Land Use Map Amendments would incorporate the above listed properties that Tulane University owns into the "EC Educational Campus District," as defined by the City. The specific amendments would change the Future Land Use from "Residential Pre-War Low Density" to "Institutional."

Enclosed please find a map that details both the current boundaries and the properties Tulane University is seeking to incorporate.

Subject: 2114 Calhoun St
Date: Thursday, June 9, 2016 at 8:59:41 AM Central Daylight Time
From: Suzy McDaniel
To: Jardell, Lauren C

Dear Lauren,
I am in receipt of the Neighbor notice with the proposed amendments to the educational campus district boundary. It notes adding a parcel of land to Tulane's campus that abuts a property that I own. The parcel you propose adding at the corner of Freret and Calhoun is next to 2114 Calhoun Street.

If the university is interested in acquiring 2114 Calhoun Street for future campus amendments, I can be reached at the below number.

Subject:	TULANE UNIVERSITY MASTER PLAN - UPTOWN CAMPUS - PROPOSED HEALTH AND WELLNESS CENTER
From:	Duncan, Kelly (kduncan@joneswalker.com)
To:	dberger@thebergerco.com;
Cc:	sfeoli@bellsouth.net; hpierson@bellsouth.net; awisdom@crescentcapitalconsulting.com; lumberton@yahoo.com; rhboh@bohbros.com; shead@nola.gov; sgguidry@nola.gov; kbrownj@aol.com; rsteeg@steeglaw.com; rdrivers@nola.gov; albee32a@yahoo.com; Hunter.Hill@iberiabank.com; fdbeahm@blanchardgold.com; clduncan@bellsouth.net;
Date:	Thursday, June 30, 2016 11:49 AM

Dear Darryl,

I am writing you (and copying Michael Fitts and several of your fellow members of the Tulane Board of Administrators – current and emeritus, among others) concerning a project being considered as part of Tulane's recently announced Master Plan for the Uptown Campus.

Carmen and I were extremely disturbed to learn very recently that the Tulane Master Plan is considering construction of a **forty foot (four story) structure** - a "Health and Wellness Center" – immediately behind our home and those of our neighbors. Such a structure is totally incompatible with the scale of the homes on Audubon Boulevard. The current design of the Health and Wellness Center that appears in the Master Plan reflects a total disregard of the adverse impact such a structure would have on Tulane's immediate residential neighbors.

Moreover, it is noteworthy that Tulane sent out only a minimal notice last month about a June 8 meeting to discuss its plans for changes on the Uptown Campus. The notice did not reference in any way the land or facilities on Tulane's campus located behind our home. I already have spoken with Lauren Jardell of Tulane about this and told her that the notice about the June 8 meeting was inadequate since it did not show or mention anything about new construction being contemplated between Willow Street and Claiborne Avenue on the Tulane Campus. Her somewhat dismissive reply: "We did all that we are required to do under the laws of the city."

Pretermitting whether this lack of notice is in violation of City ordinances, we have the following observations and concerns about the huge Health and Wellness Center that Tulane proposes to build (in place of the last remaining tennis courts on Tulane campus!) immediately behind our home and the homes of our neighbors:

1. A forty foot (four story) structure would dwarf our home and the homes of our neighbors. As such, the proposed structure is incompatible with the heights of the homes lining Audubon Boulevard.

2. A structure of this immense footprint and height will prevent morning light in the gardens of our homes and seriously impede both air movement and plant growth.

3. No information has been provided by Tulane relative to the setback of the structure from the property line and whether a fire lane will be maintained between the building and our homes.

4. No information has been provided by Tulane relative to the fenestration, if any, on the Audubon Boulevard side of this immense structure which, based on the current plan, would loom over our home. The privacy of our home, backyard, pool area and garden would be seriously impacted by such an immense structure immediately behind our home. We have owned our home for 27 years and do not want students nor anyone else using this proposed facility peering into our backyard. Equally objectionable would be lights from the building blaring into our backyard at night.

5. No information has been furnished by Tulane relative to stormwater management.

Given its immense scale, the proposed Health and Wellness Center constitutes a significant deviation from the dorms that were built about 20 years ago behind the homes on Audubon Boulevard at a scale consistent with the height of those homes. The building of the dorms took place while I was President of the Audubon Boulevard Association. Meetings with members of the Tulane Board of Administrators and other members of Tulane leadership resulted in several meetings being held with Tulane's architects. The meetings with the architects resulted in dorms being built that took into account issues of height, noise, and sight lines, among other things. As presently contemplated, the proposed Health and Wellness Center would be **at least twice the height** of those dorms.

In view of the foregoing. we would ask that Tulane consider the adverse impact that this immense structure would have on our home and the homes of our neighbors and design a building that is of a scale that is consistent with that of the homes immediately adjacent to it.

I have been advised that Tulane intends to bring this project before the City Planning Commission sometime in July or August. In view of that decision, I am copying Councilmember-At-Large Stacy Head, Councilmember Susan Guidry along with Bob Rivers, Executive Director of the City Planning Commission, and several members of the CPC.

I would be happy to meet with you and/or anyone else associated with Tulane to discuss this further.

Best regards,

Kelly

Subject: Re: Presentation from June 8th Neighborhood Participation Program
Date: Tuesday, June 14, 2016 at 1:51:21 PM Central Daylight Time
From: Harold Fuselier, Jr
To: Al Bienvenu
CC: Jardell, Lauren C, sgguidry@nola.gov

Al,

Sorry I missed the meeting.

My concern after living on Audubon Blvd. for 40 yrs. is the increasing amount of rein water from storms that currently come across Willow St. from Newcomb entrance onto Audubon Blvd. Our drainage system is working but cannot handle the storm water. If they enlarge more buildings on campus, less ground will be available to absorb the heavy downpours.

Tulane worked with the our association when the stadium was built to prevent water from the stadium going to the Blvd. I hope as good neighbors they will assure us of improved drainage before more construction is done.

I will copy Councilmember Susan Guidry.

Tony,

Thanks for your email. I agree. I understand that your point was realized during the last major deluge a few weeks ago. One of our neighbors described water cascading out of Tulane's campus into Willow and down Auburn Boulevard, seemingly because their drainage was overburdened and flooded our street as result. I believe he took a video, which I will work to get digital format.

Re: Audubon Boulevard Association Comments to Tulane's Proposed Master Plan

Ms. Jardell:

I submit the following the Audubon Boulevard Association's (ABA) comments to the proposed Tulane Master Plan. The proposed Tulane Master Plan contemplates a considerable expansion of to the buildings on Tulane's campus with little detail. It is very difficult for us to comment with the level of detail provided. I am including excerpts of notes from our meeting at my house a few weeks ago and some of our concerns that we discussed, a letter from Kelly Duncan (my neighbor and former president of the ABA) detailing many of our overall concerns about the new construction and development and a few additional comments.

Our meeting a few weeks ago at my home with you and representatives from Tulane and the Audubon Boulevard Association, we discussed the following concerns:

- Due to the Comprehensive Zoning Ordinance passed by the City of New Orleans last year, all of the Universities are required to submit 10-year master plans to the City. Tulane said what they are submitting is probably more like a 20-year plan, and they did not have any of it currently funded.
- Most of the near-term projects are between Freret and Willow Streets.
- A high priority is expanding the cafeteria and adding offices into the adjoining land, where the Newcomb Institute's Headquarters was located
- Off Campus Residential properties
    - Tulane owns several residential properties close to campus, mostly on Freret Street and between Calhoun and Ben Weiner Road that are used primarily used as offices or residential faculty usage.
    - A portion of Tulane's Master Plan is requesting the inclusion of these properties as part of Tulane's Footprint.
        - ABA asked if Tulane planned to change the use of the properties and were told that the use would remain residential, but including them in Tulane's footprint would allow Tulane to use parts of the properties for storm drainage planning and other possible uses.
        - Tulane plans on using several of these properties as part of their storm drainage plan and are considering using rain gardens, underground storm water storage systems, and other drainage possibilities.
        - ABA asked if Tulane planned to fence these properties in an effort to make them part of the campus, and we were told they would not.

- The ABA is concerned about expanding Tulane's footprint into the residential areas and would like additional written information about these plans.
- ABA has received no architectural renderings or engineering reports.
- The plan does not provide any detail concerning setback, drainage, elevation, times of use or noise. ABA is also concerned with construction being so close to our neighbors' homes and the lack of detail concerning pile driving, construction noise, contractor parking, construction trucks using Audubon Boulevard for ingress/egress, debris removal, dumpster usage, staging or change in ABA resident's quality of life and quiet enjoyment of our property throughout construction/development.

- Buildings directly affecting Audubon Boulevard
  - There are two proposed buildings that are planned to be built directly behind several of our homes on Audubon Blvd that I noted in my last email:
    - P8 # 5&6 - NEW CONSTRUCTION - Across Willow from #4 Audubon Blvd. (Audubon Blvd & Willow)
    - P11 - #1 - NEW CONSTRUCTION - Health and Wellness Center
      - This new construction expansion of the Reilly Center seems to be located behind #'s 27, 33, 35, 39, 43 & 49 Audubon Blvd.
    - P11 # 2 - NEW CONSTRUCTION - Indoor Practice Facility
      - This new construction Indoor Practice Facility seems to be located behind #'s119, 129 & 149 Audubon Blvd.

- P17 - Stormwater Managment Plan.
  - ABA is greatly concerned about the effects of Tulane's extensive on-campus growth and what seem to be minor improvements to their existing storm drainage system, which is regularly overburdened. We would like to see significant improvements to Tulane's storm drainage.
  - Tulane's growth plans ABA regularly in flood and flash flood situations. According to Tulane's Master Plan, there is no apparent storm or other drainage improvements near Audubon Blvd.
  - This picture was taken by one of my neighbors during a heavy rain a few weeks ago as stormwater overburdened Tulane's storm drainage system and drained onto Willow Street. Several of our neighbors began clearing debris from the street drains, but the flow was too great and flooded Audubon Boulevard over the curbs and well into the yards of several ABA homes. As you know, Audubon Boulevard's storm drainage was completely reworked just a few years ago, though it cannot handle storm water from both ABA and Tulane.

AUDUBON BOULEVARD ASSOCIATION

14 AUDUBON BOULEVARD, NEW ORLEANS, LA 70118

- Parking
  - Despite the addition of several new buildings and expansion of even more, ABA understands that are no new parking lots being planned to accommodate growth. **This is simply unacceptable.**
  - ABA already has significant Tulane student/faculty/contractor/guest parking trouble.
  - There are abuses of the 2-hour parking between Willow and Hickory Streets from blocking driveways to parking on the grass to parking **IN** residents' driveways and walking to Tulane's Campus. There are also troubles between Hickory Street and Claiborne Avenue with Tulane student/faculty/contractor/guests parking in the morning and leaving their vehicles all day, leaving little or no room for friends or family to visit and park on the street.
  - I submit the pictures below of incidents that occur weekly at my home (between Willow and Hickory) to demonstrate the regular abuse and effect Tulane's insufficient parking causes on Audubon Boulevard.

Meeting Invitation

From: "Harang, Paul M" <pharang@tulane.edu> Date: Thursday, January 14, 2016 at 10:05 PM To: "Harang, Paul M" <pharang@tulane.edu> Subject: Tulane Community Meeting

Dear Tulane Neighbors,

On Thursday, January 21, Tulane will host a community meeting to gather input on its Institutional Master Plan for the physical development of the uptown campus. The meeting will be held at 6 p.m. in the Freeman Auditorium.

WHAT: Introduction to Tulane's Master Planning Process
WHERE: Freeman Auditorium in the Woldenberg Art Center
WHEN: Thursday, January 21 at 6 p.m.

If you have any questions, please reply to this email or call me at 504-343-8937.

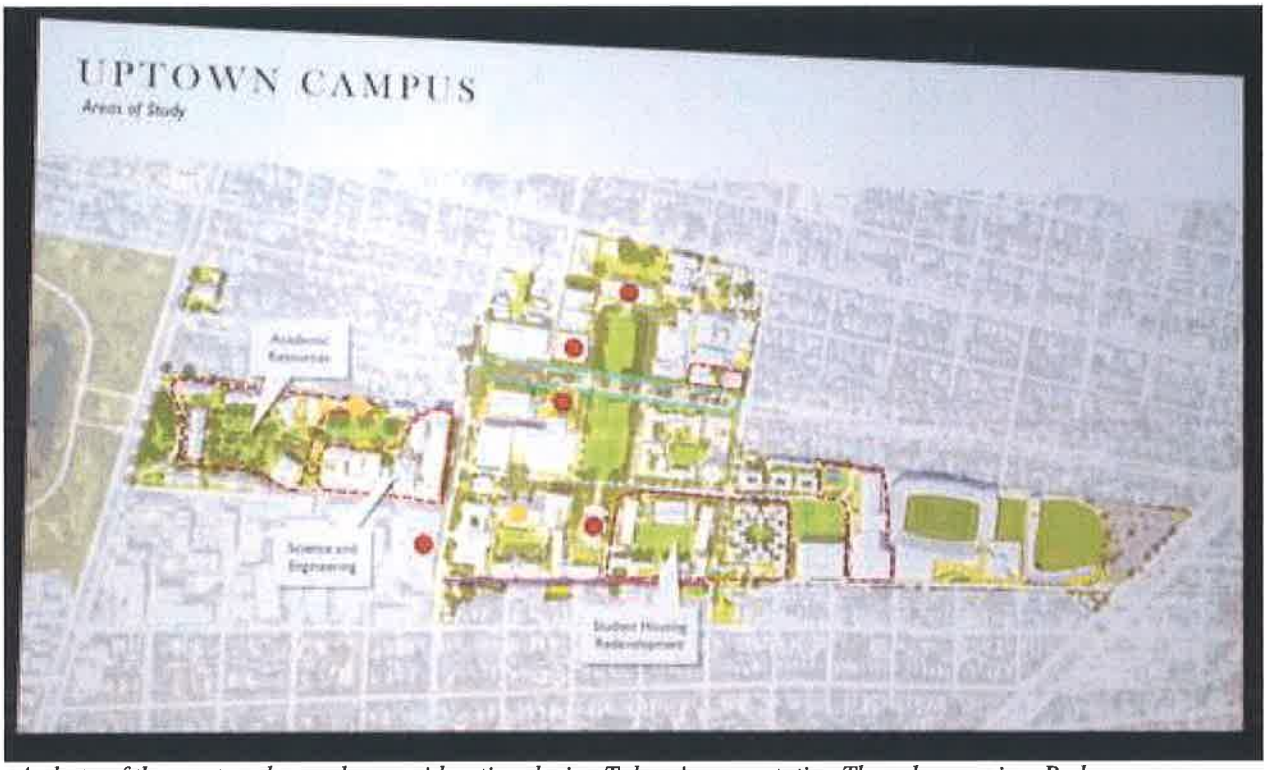
Thank you,
--
Paul Harang
Director, Community and Neighborhood Relations
Office of Government and Community Relations
Tulane University
200 Broadway Street, Suite 126
New Orleans, LA 70118
Mobile: 504.343.8937
Fax: 504.988.3388

Article from Uptown Messenger

Tulane gives neighbors first look at new city-mandated master plan for Uptown campus

Posted by Robert Morris at 11:59 am city government, colleges

Jan 22 2016



A photo of the master plan under consideration during Tulane's presentation Thursday evening. Red dots identify campus buildings under consideration for renovations. (Robert Morris, UptownMessenger.com)

Tulane University is considering a series of renovations to major buildings and moving some of its parking out of the center of its Uptown New Orleans campus, according to a first draft of a master plan newly required by city law.

The city's new Comprehensive Zoning Ordinance requires that all major institutions — such as universities and hospitals — create an official master plan to be vetted by the City Planning Commission. Once the commission and City Council approve the plan, with any modifications deemed necessary, the plan will effectively become the zoning for the institution — it will be able to develop its campus according to the plan, but will require city permission to change it.

The plan must include descriptions of the size and location of all the buildings expected on the site, as well as consideration of traffic, parking, landscaping, loading, stormwater and other issues. For example, Children's Hospital was granted permission to tear down some of the old buildings on the former New Orleans Adolescent Hospital site last year, but officials told them that they would not be

able to begin construction on the new parking or clinic space until their Institutional Master Plan is approved.

Tulane has developed according to an internal master plan since its founding in the 1800s, said Paul Harang, Tulane's director of neighborhood relations. But as the university creates a new version of that plan to conform to the city's standards, Tulane officials convened a meeting Thursday night to give neighbors a first look at the plan and hear any of their concerns.

Compared to the major projects of the past few years on the Uptown campus — the football stadium, the new Zimple House dorm on Broadway, the additions to the library — the projects Harang described ahead are more modest in scope. They include:

- Construction and expansion of the dining hall, giving the center of campus a more "town center" type of feeling, Harang said. (Demolition of the former Newcomb College dean's home was a precursor to this project.)
- Renovations to Dixon and McAlister halls, which together host the majority of major events on campus. Harang said university officials are considering making McAlister the "prime" venue for those events.
- Renovations to Newcomb Hall, a major academic building, and "Building 9" in the academic-services area.
- Renovations of some student housing buildings.
- Shifting some parking away from Newcomb Place, the center of the Uptown campus. Tulane has the opportunity to lease more space in the Loyola parking garage to move these cars, Harang said.
- Renovations to the Reilly Center, especially the locker area, which could require some temporary space outside the building.
- Improving a service road that runs behind Calhoun Street, in part to help move vehicles toward that Loyola garage, and to take some campus traffic off Calhoun.
- Reworking underground utilities to improve stomrwater runoff, particularly in the academic services quad behind Gibson Hall.

Most of the ideas in the plan are still very preliminary, Harang said.

"None of these are set in stone," Harang said. "We're just here to talk about ideas."

Harang's presentation drew little reaction from the neighborhood, as Thursday's downpour began shortly before the meeting was to start — more Tulane staffers than neighbors attended it. More meetings will be held as the university approaches the filing date for the plan later this year, including

an official Neighborhood Participation Plan meeting where the university will formally document public comment.

"From the limited information I saw, it looks to me like they are primarily doing renovation of buildings and other minor changes that won't really affect the surrounding neighborhoods," said Keith Hardie, a neighborhood activist from the university area.

One resident near the edge of campus, Jack Dardis, said he was more concerned by the students who gather near his home to smoke as a result of the university's new non-smoking policy than he was by any of the changes proposed in the master plan. Dardis said he plans to continue watching the plan as more details are revealed in the upcoming meetings, however.

"I guess we just wait till the spring then," Dardis said.
