To the members of the Design Advisory Committee,

Please accept this letter of support on behalf of the New Orleans Recreation Development (NORD) Commission, in support of Urbanscapes' submission for the "Clarity Parks Project: Lafitte Greenway Plaza."

NORD has a cooperative endeavor agreement (CEA) with the non-profit organization, Friends of Lafitte Greenway. The CEA allows Friends of Lafitte Greenway to manage select programming, projects, events, and to promote the Lafitte Greenway as a recreational public space for residents across the City of New Orleans. Friends of Lafitte Greenway contracted Urbanscapes, through a private grant awarded to the organization to design the "Lafitte Greenway Plaza" as shown in the submittal package.

NORD has been fully engaged in the design process of this project and will manage the project, along with Friends of Lafitte Greenway until completion. NORD is in full support of the attached submission.

Sincerely,

A handwritten signature in blue ink that reads "Larry Barabino, Jr." with a stylized flourish at the end.
