Dear Mr. Mohan:

Thanks to you, your staff, and the representatives from the Department of Public Works and the Sewerage & Water Board for taking the time to meet virtually with representatives of Tulane University on Thursday, January 12, 2023. I understand the discussion was mutually beneficial.

As discussed in the January 12th meeting, Tulane University is interested in pursuing long-term leases for the following portions of city streets:

- The 300 block of S. Liberty St. (between Gravier St. and Tulane Ave.)
- The 1300 block of Audubon St. (between Willow and Plum)
- The 7100 block of Plum (between Audubon St. and Broadway)
- The 7000 block of Zimple (from Audubon St. to campus)
- The 1000 block of Audubon St. (between Zimple and Freret).

These blocks are circled in red on the enclosed maps.

Please let this letter serve as the formal request to begin the process. Additionally, I look forward to learning more about the process and its timeframe. In the meantime, if you have any questions, please contact Lauren Jardell, Director of Government and Community Relations, at (504) 881-5307 or ljardell@tulane.edu.

TECHNICAL MEMORANDUM

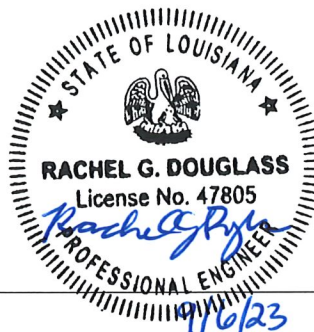

USI Project #: 23-050

Date: September 6, 2023

Project: Traffic Impact Analysis
Proposed Street Closure: S. Liberty St. between Gravier St. and Tulane Ave.
New Orleans, Louisiana

To: Mr. Randolph A. Philipson
Tulane University
6823 St. Charles Avenue
New Orleans, Louisiana 70118

From: Rachel Douglass, PE
Urban Systems, Inc.

The purpose of the analysis was to review the effects of closing S Liberty St to vehicular traffic from 9:00 AM – 5:00 PM Monday-Friday while maintaining access to the Tulane parking garage. The proposed closure is proposed to be implemented using portable bollards and signage. The purpose of the closure is to improve access and safety for pedestrians.

Study Area

Gravier St is a one-way two-lane street in the lake-bound direction and has on-street parking on both sides. S Liberty St is a single lane one-way street that runs from Gravier St to Tulane Ave and has parking on both sides of the street. The Tulane parking garage is on the northwest corner of Gravier St and S Liberty St. Access to the garage is on the south end of S Liberty St.

Data Collection

Seven (7)-day twenty-four (24)-hour counts were taken in fifteen (15) minute intervals from August 16, 2023 – August 22, 2023, while schools were in session. The counts included movements from Gravier St into the parking garage and movements from Gravier St that continue on S Liberty St toward Tulane Ave. The raw count data is attached.

Impact

The number of vehicles in fifteen (15) minute intervals that turned from Gravier St onto S Liberty St and continued toward Tulane Ave are presented in **Table 1**. Estimates of the impacted vehicles for each weekday between 9:00 AM – 5:00 PM are presented in **Table 2** along with an estimated total for a typical week.

Conclusions and Recommendations

It is estimated that the closure of S Liberty St between the Tulane parking garage and Tulane Ave will affect less than seventy (70) vehicles each day. This represented approximately 6% of the existing traffic on S Liberty St, every weekday 9:00 AM – 5:00 PM as evidenced by **Table 2**. During closures, these drivers will need to turn left at Lasalle St instead. The inconvenience, however, is only three (3) short blocks out of the way. Signage should notify drivers on Gravier St that S Liberty St is closed Monday-Friday from 9:00 AM – 5:00 PM and that right turns provide access to the garage only.
