REQUEST FOR RELEASE OF FUNDS

On or about November 26, 2025, The City of New Orleans Office of Community Development will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of previously expended grant funds to undertake a project known as Passive Greenspace. The proposed project includes the no cost transfer of the vacant parcel, totaling 0.4 acre, located at 3617 3rd Street, New Orleans, Louisiana, 70125, from the New Orleans Redevelopment Authority to the City of New Orleans for use as passive greenspace. This site is adjacent to 3621 and 3623 3rd Street: two properties currently being used for stormwater management/hazard mitigation. At this time, future development or other use of the proposed project site has not been identified; however, it is never intended to be used as a park or a playground. The project as described above will use approximately \$0.00 of federal funding.

FINDING OF NO SIGNIFICANT IMPACT

The City of New Orleans has determined that the project will not have a significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the City of New Orleans, Office of Community Development, 1340 Poydras Street, 10th floor, New Orleans, LA 70112, and may be examined or copied weekdays 8:30 a.m. to 4:30 p.m. To view the full, ERR call 658-4365 or e-mail cafoundas@nola.gov for an appointment.
