The screenshot shows a search interface with four tabs: CRIMINAL & TRAFFIC INQUIRY (selected), CRIMINAL & TRAFFIC MINUTE SEARCH, CRIMINAL & TRAFFIC DAYBOOK, and COURT CALENDAR. Below the tabs is a disclaimer: "Disclaimer: Cases are current from 07/01/1982 through 10/30/2025". The search form includes the following fields: Search Type (dropdown menu with "Defendant Name" selected), Case Type (dropdown menu with "(ALL)" selected), From Date (text input with "7/1/1982" and a dropdown arrow), To Date (text input with "10/30/2025" and a dropdown arrow), and three text input fields for "DOB (optional)", "Last Name", and "First Name".

Search Type:

*Search by Defendant Name or Case Number.
(the defendant is the person charged for the crime)*

Case Type:

Pick Magistrate or Criminal OR ALL which will return both types of cases (Magistrate court is where initial appearances are made and bond is set).

Set From Date & To Date:

Set the date range so that you only look up cases between two dates

Enter the Defendant's First & Last Name OR Case Number

If you have chosen to search by the Defendant's name, you can type it in, OR type in the Case Number (just the numbers, do not include the letter in front)

What can I find here?

Tabs across the top of the page include:

Minutes:

Minutes are the closest to what used to be in Docket Master - all the court minute entries which describe all case happenings and events, with dates

Charges:

Lists the criminal charges for the Defendant

Court Events:

Dates for hearings and events in court

Service Returns:

Lists subpoenas attached to the case

Document History:

*Includes documents attached to the case. *Purchasing documents will be an added cost for the public, and certified copies can also be purchased*

Activity History:

Shows the history of all case activities, including court events, minutes, and other activities

Warrants:

Lists warrants attached to the case

Chronological History:

History of all types of case events by date

Attorneys:

Lists attorneys assigned to the case

On this website, you can also:

- Within a particular case record, you can use a dropdown menu at the top to **select different defendants** attached to that particular case and go back and forth between them.
- Select **CRIMINAL & TRAFFIC DAYBOOK** to see what is happening in court on a particular day across all sections.
- Select **COURT CALENDAR** which includes a monthly calendar with the court's schedule, where you can click on a particular court section and learn more about what is happening in their courtroom that day.
- For criminal legal professionals there will also be **E-filing** and subscriptions for **filing alerts** available (filing alerts can also be requested by the public, for a cost).
