	<p><u>DBE COMPLIANCE VERIFICATION*</u>: Pursuant to Code of the City of New Orleans §70-459, there is a “35% DBE participation goal” for all public spending or private projects that utilize public funding and/or incentives. No RTA shall be approved for projects that are not compliant with the local DBE requirements for attainment of the DBE goal and/or demonstration of Good Faith Efforts to attain the DBE goal. This ordinance applies to all public spending and private projects with the <i>exception</i> of owner-occupied residential projects with 6 or less units and projects valued less than \$15,000 (§70-466(E)(5)). Provide the following evidence of DBE compliance for OSD review: DBE Responsiveness Form (DBE Compliance Form 1) which details attainment of the DBE goal through contract commitments to certified DBE firms; and/or in the event that the applicant cannot meet the DBE goal, a signed Good Faith Efforts Form (DBE Compliance Form 2) which demonstrates Good Faith Efforts to attain the DBE goal must also be submitted. Also, electronic reporting via the B2G Now Compliance Monitoring system which details all DBE firms that were utilized on the project and the payments made to each firm must be submitted on a monthly basis. DBE Compliance Forms 1 and 2 as applicable must be submitted to the Office of Supplier Diversity prior to the start of construction in order for the project to qualify for this program. For DBE Program assistance, contact Office of Supplier Diversity at 658-4200.</p>

Hire NOLA Policy

As provided in Sec. 70-499 the City of New Orleans established the Hire NOLA program to link quality employment opportunities created by City construction contracts and economic development projects with Local Workers. This program establishes a **First Source requirement and Good Faith Effort Participation Goals** on “covered projects”. Contractors and their Subcontractors, if applicable, shall commit to making Good Faith Efforts to achieve aforementioned local participation goals.

Living Wage Policy

As provided in Sec. 70-810 the City of New Orleans established the Living Wage Ordinance. Applicants seeking a Restoration Tax Abatement are required to ensure the following:

- (1) Pursuant to Section 70-806 of the City Code, every Covered employer shall pay employees no less than the living wage for all hours worked as a Covered employee. The living wage shall be \$11.19, plus any applicable adjustment provided in Section 70-806, subpart (2).
- (2) Pursuant to Section 70-807 of the City Code, Covered employers shall permit Covered employees to take at least seven (7) days per year of compensated leave. Such leave shall comply with the guidelines set forth in Section 70-807.
- (1) Pursuant to Section 70-808 of the City Code, no Covered employer shall reduce any wages or benefits due to any employee to offset the costs of the Living Wage Ordinance or otherwise retaliate against any Covered employee based on the provisions of the Ordinance.

Bidder's Attestation:

My signature certifies that I understand the Hire NOLA program and Living Wage Ordinance. I further certify and agree that if awarded the contract, as the Contractor I will demonstrate Good Faith Effort to meet the stated Participation Goals. I understand my Good Faith Effort shall include but not be limited to the following:

1. Utilize OWD's Craft Employee Request Form to inform OWD of any potential vacancies on a “covered project.”
2. Contact qualified individuals from the First Source database, as provided by OWD, for filling potential vacancies.
1. Solicit in the official journal of the City, or any other local publication, and advertise as provided below, any potential vacancies for local workforce candidates if First Source individuals are ultimately not qualified or available.
2. Advertise vacancies at local Union/Hiring Halls of registered apprenticeship programs, if applicable.
3. Advertise vacancies at the job site.
4. Conduct meeting(s) with potential managers and subcontractors to educate said individuals regarding the Local Hire goals provided herein.
5. Utilize registered apprenticeship programs at a 1 apprentice to 3 journeyman ratio, if applicable and available.
