

**Internship Title: Domestic Violence Program Intern (SPR25)**

**NOHD's Domestic Violence and Sexual Assault Program:**

The New Orleans Health Department (NOHD) Domestic Violence and Sexual Assault Program (DV & SA Program) leads the city's response to domestic violence and sexual assault by coordinating community-based and criminal justice partnerships and programs, providing training & technical assistance, supporting prevention programming for families impacted by violence, and advocating for policies that support survivors. Some efforts include the Advocate Initiated Response (AIR) Program, the Domestic Abuse Fatality Review Team, the Mayor's Domestic Violence Working Group, the New Orleans DV Prevention Committee, and the Sexual Violence Response Advisory Committee. NOHD's DV & SA Program also coordinates domestic violence and sexual assault multi-disciplinary case review teams and additional working groups and task forces.

**Internship Overview:**

This macro-focused internship will provide graduate level students an opportunity to work with NOHD's DV & SA Program's Domestic Abuse Fatality Review (NODAFR), Advocacy Initiated Response (AIR) Program, and other domestic violence and sexual assault coordination efforts. Through this internship, interns will develop skills in research and report development, program evaluation, data analysis, oral and written communication, and content development.

The ideal candidate will have a working knowledge of public health, the ability to analyze data, communications skills to maintain effective working relationships, strong writing skills, and an organized and detail-oriented work style. The intern must be able to work 10-15 hours a week. Paid interns will be hired at the Civil Service Management Development Assistant classification level with an hourly compensation rate of \$18.88 per hour through CDC funds.
