

DON'T RUIN YOUR NIGHT OUT.

Follow the **Office of Nighttime Economy's** guide to avoid parking fines and towing, keep a clear path for emergency services, and help businesses operate smoothly.

Fire Safety First

- No parking in fire lanes
- No parking within 15 feet of fire hydrants

Keep It Clear

- No parking within 20 feet from intersections, crosswalks, or stop signs
- No parking in bus or taxi zones
- No parking against traffic or at an angle

Meter & Zone Etiquette

- No parking at expired, covered, or broken meters
- No parking in loading zones
- No parking for longer than 10 minutes in passenger zones

Driveway & Sidewalk Respect

- No parking 3 feet from driveways
- No parking on sidewalks

Special Restrictions

- No parking within 50 feet from railroad crossings
- No overnight parking for vehicles >22 feet in CBD
- No trailers/campers/18-wheelers on residential streets
- No parking on the neutral ground

Parade & Permit Zones

- No parking on parade route 2 hours before start of parade
- No parking on pedestrian malls
