30 YEARS OF RYAN WHITE: HONORING THE LEGACY, IGNITING THE FUTURE

On June 5, RWSR proudly hosted a powerful event marking the 30th Anniversary of the Ryan White HIV/AIDS Program in New Orleans. Held in honor of Long-Term HIV Survivors Awareness Day, the event brought together community members, providers, and public health leaders, to celebrate decades of progress and reaffirm our collective commitment to ending the epidemic. The program included a press conference, intergenerational storytelling, a panel with voices of lived experience, and interactive exhibits designed to educate, reflect, and inspire.

A proclamation recognizing the impact of the Ryan White Program in New Orleans was issued to the New Orleans Regional AIDS Planning Council from the Mayor. This milestone event not only honored our past—it also reenergized our future efforts under Bounce to Zero and EHE.

WELCOMING OUR YOUTHFORCE NOLA INTERN - JON'QUILL BUTLER

We are excited to welcome Jon'Quill Butler, our summer intern through the YouthForce NOLA program! Jon'Quill will support youth-focused programming and play a key role in pilot testing the new Stigma Busters curriculum, aimed at empowering young people to lead conversations around HIV, equity, and stigma reduction. Her creativity, passion, and fresh perspective are already making an impact. We are proud to invest in the next generation of public health leaders.

NORAPC UPDATES

Committees are actively preparing for FY26 priority setting, continuing to emphasize community voice, trauma-informed outreach, and equity.

Highlights include:

- Launch of the NORAPC AI tool to support meeting facilitation and resource development
- Priorities Setting Week: July 21 - 25
- Resource Allocation Week: Aug 18-22
- Community Coalition coordination of targeted Pride and National HIV Testing Day outreach
- 30th Anniversary contributions: exhibit creation, interactive QR displays
- Vice-Chair election scheduled for July
- Proactive recruitment to fill demographic gaps in membership

ENDING THE HIV EPIDEMIC (EHE) UPDATES

- Hosted EHE Triannual Meeting on April 10, providing in-person TA to subrecipients
- Revised campaign materials using focus group feedback
- Began Bounce to Zero website overhaul for improved service access and online linkage tools
- Planning July 21 Zero HIV Stigma Day video screening and legal Q&A at Gallier Hall
- Expanding access to care through new avenues with Central Linkage Coordinator

OUTREACH AND ENGAGEMENT ACTIVITIES

Community Health Workers hosted 18 outreach events this quarter and served 111 individuals, including 88 PLWH.

The CHW team promoted Bounce to Zero, distributed free at-home test kits, and offered real-time linkage to supportive services across the city. Skills training and agency expansion efforts continue to broaden reach and improve care navigation.
