S.W.

Notes

For exterior finish, roofing materials and ornamental work - see sheet #4.
 Exterior walls of outbuilding are cemented over brick the same as main building. Roof is laid with blue slates.
 The wood gates to courtyard from street are of cypress.
 The ornamental balls above the gateway are of white marble.
 The two openings in outbuilding on Conti Street elevation are new.
 The exterior walls of main building above band moulding at first floor level are marked off very faintly to represent stone coursing.

The seal of the Vieux Carre Commission is an oval emblem. It features a central figure of a person standing on a decorative base, flanked by two columns. The text "VIEUX CARRE COMMISSION" is inscribed along the top inner edge of the oval, and "ESTABLISHED 1936" is inscribed along the bottom inner edge. The seal is rendered in a light gray, semi-transparent style.
