

Work Plan: Trucks and Oversized Vehicles Routes and Regulations

Mayor's Office of Transportation

City of New Orleans
Stakeholder Meeting - August 14, 2020

Moving New Orleans Transportation Action Plan

The Road to Equitable Transportation

Connectivity

Support Movement of Freight and Cargo

As freight traffic increases, it is important to ensure our network supports the movement of goods.

- Identify additional issues for discussion and review

Resident Engagement

Neighborhood
Organization Leadership
Outreach

- Now through August 31

Oversize Vehicle
Webpage

- Resources
- Comments

Neighborhood
Leadership & Resident
Meetings

- Sept 30, Nov 18

Potential Resident Topics

Outreach & Awareness

- Route Map/List
- Regulations

Compliance

- 311 Reporting
- Outreach
- Enforcement and Fines

Routes

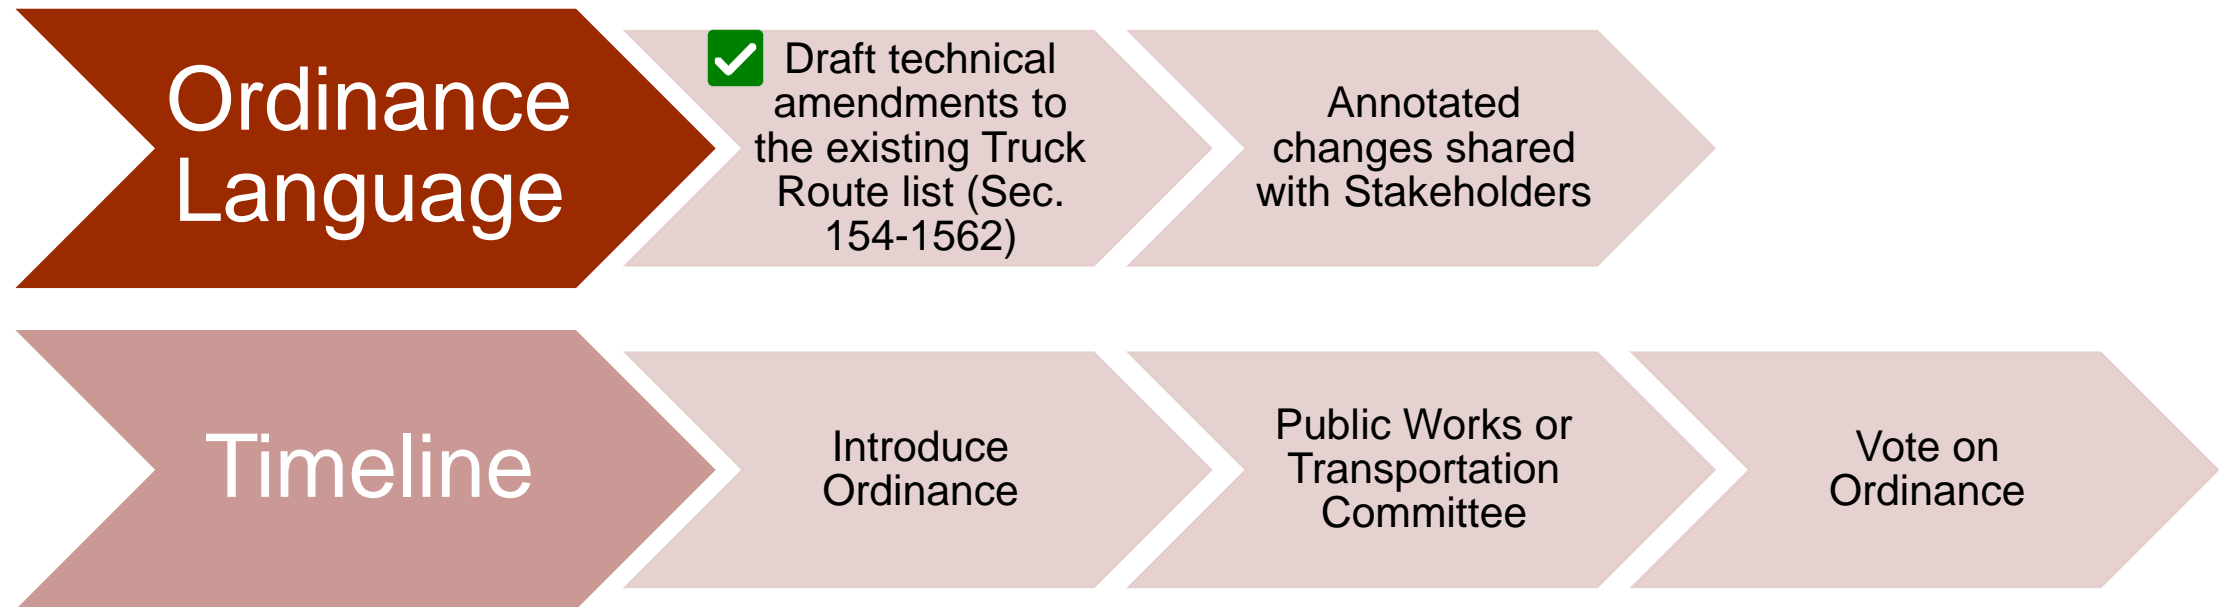

- Existing network
- Amendments to the network

Additional Issues

- Identify additional issues for discussion and review

Sec. 154-1562 – Designation.

2020 Technical Amendments

Trucks and Oversized Vehicle Route Compliance

Education, Awareness, and Enforcement

Route Signage

- DPW surveying and installing/replacing signs along truck routes
- Engage stakeholders on locations and corridors that may require “No Truck Route” signage

Mapping

- ✓ Create and publish a public facing truck route map for distribution (<http://roadwork.nola.gov/roadwork/media/35GPJTR9/atlas/2019-0325truckroutes.pdf>)
- ✓ Create and publish a digital truck route map on data.nola.gov (<https://data.nola.gov/Transportation-and-Infrastructure/Truck-Routes/2s22-jvd9>)
 - To be updated following technical amendments

311 Reporting

- Create oversize vehicle violation event in 311 system
- Determine desired data points for collection to support compliance and enforcement

Trucks and Oversized Vehicle Route Compliance

Education, Awareness, and Enforcement

Permits

- ✓ Modify online Oversize Vehicle permit to ensure collection of company names
 - Distribute route map and regulations to all current and future permit holders (one-time and annual)

Educational Outreach

- Distribute route map and regulations to all Orleans (or regionally) based oversize vehicle operators
- Public engagement through Council Offices and Neighborhood Engagement on reporting violations

Enforcement

- Short term: targeted enforcement informed by stakeholder and community input
- Ongoing: targeted enforcement informed by 311 reports
