Re: Canal Street Study Extension Request

Dear Mr. Rivers,

I am in receipt of your request for an extension of time to complete the Canal Street Study, as directed in Council Motion M-18-200. My understanding is that CPC staff are in the process of completing multiple large projects, that the completion of this study requires a significant amount of staff resources as well, and that an extension of the deadline would allow for a more complete and thorough analysis. Therefore, this request is being granted and the deadline extended to November 1, 2018.

Please provide public notice if the public hearing date for this matter will change as a result of this extension. Please also complete and transmit this study to the Council no later than November 1, 2018. Your time and effort on this project are greatly appreciated.

Sincerely,
