Request #1: Bulletproof Glass at District Stations

- This project is needed to ensure safety of desk officers at entrance of each district station
- The bulletproof glass would serve as a protective shield to safeguard officers from gunfire
- One year project, funding \$1,080,000
- Unfortunately, funding was reduced to address other projects therefore it remains as active project under capital projects

REQUEST #2:

New NOPD Headquarters & Garage

- NOPD recently moved to leased office space due to continuous maintenance issues experienced with aging HQ Building at 715 S Broad (Building completed 1968, 57 years ago)
- New temporary HQ Building 1615 Poydras (5-year lease), new building would facilitate the second phase of upgrading of the city's criminal justice complex (Municipal Traffic Court renovations are in final phase of completion)
- Year 1 funding \$5M for design phase, Year 2 funding \$51.3M for construction phase and Year 3 funding of security installation, \$3.9M for total of \$60.3M
- Unfortunately, funding was reduced to address other projects therefore it remains as active project under capital projects

Request #3: Crime Lab 4th Floor DNA Renovations

- The Crime Lab is in dire need of renovations to 4th floor DNA Lab to meet specific operational needs and accreditation requirements for our goal of processing DNA in-house
 - Target goal for accreditation is 2027 provided facility meets the standards
 - Funding for project 2 years, design \$983K and construction \$8.4M, total project \$9,361,116
- 

Request #4: MTA East Restrooms

- The MTA training facility does not have restroom at firing range, training instructors must walk across the campus to the one functioning restroom, extremely disruptive to operations
- Funding for this project is \$169k to provide restroom facility for staff

Request #5: NOPD HQ Parking Garage Renovations

- Recently, the HQ parking garage has experienced structural failures which posed issues of safety
- Engineers were hired to provide remediation plan to address the structural compromise which resulted in this project being funded
- Unfortunately, funding was reduced to address other projects therefore it remains as active project under capital projects

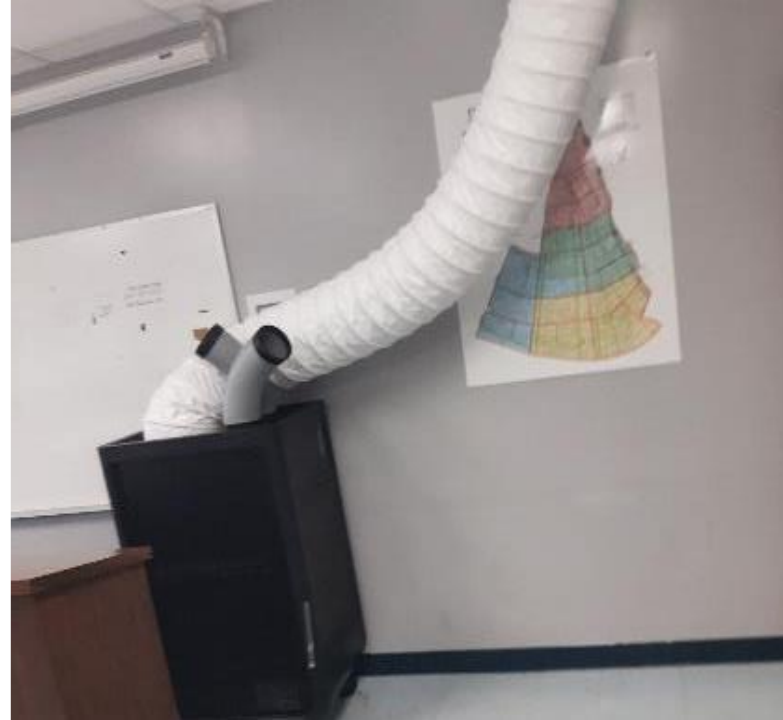

Request #6: New Central Evidence & Property Building

- Central Evidence & Property has been in a leased warehouse since Hurricane Katrina, unsuitable for current operations, plethora of maintenance issues (ac, heat, mold)
- City negotiating purchase of facility (Galvez Street) to house CE&P operations, building will require renovations and retrofitting. Year 1 funding \$6M acquisition, Year 2 funding \$4M renovations and Year 3 funding \$1M for security installation

REQUEST #7: New 6th District Station

- The current 6th District station has experienced major challenges with a/c and other building maintenance repairs such as molded ceilings, non-functioning restrooms, etc.
- A new district station with approximately 13,100 sq ft would be suitable to house the current operations
- Funding for Year 1, \$480K for design phase, Year 2, \$5.5M for construction and Year 3, \$118k security for total of \$6,126,883

Request #8: 8th District Station Renovations

- This project was funded to make immediate improvements to the 8th District station to address the building condition and maintenance issues.
- The current 8th District is located on Royal Street in the French Quarter, the building was originally built in 1827 was damaged by fire and rebuilt in 1863
- Funding for major renovations, Year 1, design \$684k, Year 2 construction \$6.4M, Year 3 security \$252M, total project cost \$7,377,851
- Unfortunately, funding was reduced to address other projects therefore it remains as active project under capital projects
