

PSA Outcome Measures

| | RISK LEVEL 1 | RISK LEVEL 2 | RISK LEVEL 3 | RISK LEVEL 4 | RISK LEVEL 5 | UNSCORED | Overall rate |
|----------------------------------|------------------------|------------------------|------------------------|------------------------|------------------------|----------|--------------|
| Magistrate Court Appearance Rate | 97% | 95% | 97% | 96% | 96% | 100% | 97% |
| Section Court Appearance Rate * | 88% | 89% | 91% | 89% | 89% | 97% | 92% |
| Public Safety Rate | 97% | 97% | 94% | 94% | 94% | 97% | 96% |
| Success Rate | 97% | 92% | 90% | 90% | 89% | 96% | 92% |
| Total Assessed + Released | 3,211 | 1,630 | 1,052 | 1,289 | 884 | 422 | 8,488 |

Magistrate Court Appearance Rate

The percentage of people who were assessed, released before the final disposition of their case(s), and appeared at all magistrate court events out of all assessed and released people.

Section Court Appearance Rate

The percentage of people who were assessed, released, whose cases were accepted and appeared at all magistrate court events. Releasees for whom all charges were refused or nolle prosequi are excluded from this figure. * N = 2,957 releasees.

Public Safety Rate

The percentage of people who were assessed, released pretrial, and were not arrested for a new charge while their case was pending.

Success Rate

The percentage of people who were assessed, released pretrial, appeared at all their court events, and were not arrested for a new charge.

The unscored category represents Public Safety Assessments that do not contain a release recommendation due to the type of offense at booking.
