During this audit prep, the 22 audit Items (questions) were then assigned to the auditors.

Item 3 – Item 4:

Item 5 - Item 6:

Item 7 – Item 8:

Item 9 – Item 10:

Item 11 – Item 12:

Item 13 – Item 15:

  - **Number of Selectees—Compliant**
    - The 2022 Recruitment and Applicant Investigations Annual Report Final (page 1) advises that there were 267 Background Investigations Completed. Of these, 28 applicants were hired (All Commissioned Position Types).

- **Sub-Item D: Fluency in Spanish and/or Vietnamese—Compliant**
  - The 2022 Recruitment and Applicant Investigations Annual Report Final; under the “Recruitment Applicants with Needed Skills” section; page 4, paragraph 1 advises that a balanced workforce that is representative of the community continues to be a priority for the NOPD. In 2016 NOPD

launched its first ever certified interpreter program, which provides an additional 5% pay to NOPD officers who are certified as fluent in Spanish or Vietnamese and are willing to serve as interpreters for the department. This incentive has given the department a tool for recruiting individuals with foreign language skills, including officers fluent in Vietnamese and Spanish.

- The 2022 Recruitment and Applicant Investigations Annual Report Final; under the “Recruitment Challenges” section; page 5, paragraph 2 advises that Vietnamese and Hispanic officers still only make up a small population of the commissioned workforce at NOPD. The push to hire Spanish and Vietnamese-speaking officers continues to present as a challenge. Recruitment team members have established relationships with members of the Vietnamese community in eastern New Orleans as a means to build trust and recruit prospective Vietnamese officers to aid in our service to a community that has traditionally taken care of their own. NOPD is hopeful that an increase in Vietnamese-speaking officers will help the community to become more trusting of the police..
- **Sub-Item E: Documentation of challenges to recruiting highly qualified applicants—Compliant**
  - The 2022 Recruitment and Applicant Investigations Annual Report Final; under the “Recruitment Challenges” section; page 5, paragraph 2 speaks on understanding and moving past the language barriers and cultural sensitivities that can contribute to their ability to provide quality service to the community. Since 2019, the NOPD participated in festivals and had an announcement in the bulletin at Mary Queen of Vietnam Church within the local Vietnamese community. Additionally, NOPD has developed a relationship with the Hispanic Chamber of Commerce of Louisiana for several years. This year, NOPD had the opportunity to attend two career fairs hosted by the Hispanic Chamber of Commerce. NOPD is hopeful that the efforts put in place in 2018 will be able to be increased in 2023 in an effort to further develop relationships and embed us within the Vietnamese and Hispanic communities.

## Conclusion and Recommendations

### Recommendations

1. It is recommended by the Auditing and Review Unit that the Recruitment Unit continue to maintain their files for the year, in an “as they go” method. The Recruitment Unit can create the folders for the year as they did for this audit, and as the year progresses, copy emails, recruitment activities, reports, etc. into the appropriate folders. PSAB will then monitor the folders quarterly to ensure they are being “used” and Sub-Items are added.
2. All Recruitment Unit training should require a sign-in sheet or email with read receipt. For example, if training is on a policy (such as Equal Opportunity Employment) this policy and/or document can be sent to the employee with a read receipt; upon reading/opening the email, the read receipt is dropped into the appropriate folder and used for proof of training on the required Sub-Item. Recruitment currently conducts “Roll Call Training” as advised by the Bureau Captain. Those sign in sheets are available on request.
3. For compliance, it is recommended that Recruitment provide a statement or documentation for items that are “Not Applicable” for the year being audited.

The recommended actions will ensure that all Recruitment activities are documented appropriately for audit and review, and the subsequent scores accurately reflect the Unit’s performance.
