

DEPARTMENT OF PARKS & PARKWAYS

Federally Funded Tree Planting Program

NOTES:

- 1) The proposed locations are based upon the Department of Parks and Parkways' ArborPro Tree Inventory, forestry records, U.S. Census disadvantaged tracts, American Forests Tree Equity Score, and the New Orleans Reforestation Plan.
- 2) The shaded locations require additional approvals from property stakeholders.
- 3) All locations are designated for federal grant funding.
- 4) The projected tree installation timeframe is between the spring of 2025 through the spring of 2029.
- 5) Unless noted as "sidewalk trees", all plantings are targetted for neutral grounds, parks, community centers and other properties owned by the city, HANO, Orleans Parish School Board or Sewerage and Water Board.
