# THE NEW ORLEANS

## SAFETY AND MOBILITY SUMMIT

The City of New Orleans is launching a bold effort to eliminate fatal and serious injury crashes on our roadways – and we need your input!

The Safe Streets for All (SS4A) New Orleans Safety Action Plan will establish a new set of principles to design safe roads, educate people travelling on our roadways, and create a sense of collective responsibility.

The Plan will use detailed analysis of crash history, predictive studies using 'big data,' and community engagement to recommend projects, programs, and policies for safer transportation and mobility throughout the city.

**Join us at the Safety & Mobility Summit to:**

- » Learn about the SS4A Safety Action Plan
- » Share your ideas and priorities for safer transportation
- » Help shape a vision for zero traffic deaths in New Orleans

### New Orleans Safety and Mobility Summit

**Saturday, May 17, 2025**

**10 AM – 12 PM**

**UMC Conference Center – 2000 Canal Street (enter on S. Galvez St.)**

The event will be in an open house, drop-in format, with a brief welcome and overview presentation at 10:30 am.

For more project updates and ways to get involved, visit: [www.nola.gov/ss4a](http://www.nola.gov/ss4a).
